

Exhibitor and Partner Levels

WHAT?

Meet nonprofit professionals, homeless service providers, social workers, housing development professionals, local government officials, health care workers to exchange information and work on valuable business relationships. This is the most important event in the state for anyone who sells to and provides services to homeless shelters and residential facilities.

WHO?

Texas Homeless Network (THN) is a statewide non-profit membership organization that promotes communication, develops awareness, and formulates strategies concerning statewide issues and problems that require solutions more comprehensive than local efforts can supply on their own. **The Mission of Texas Homeless Network is to strengthen communities and partnerships to prevent and eliminate homelessness.** Meet nonprofit professionals, homeless service providers, social workers, housing development professionals, local government officials, health care workers to exchange information and work on valuable business relationships. This is the most important event in the state for anyone who sells to and provides services to homeless shelters and residential facilities.
