

conference scholarship

The Texas Homeless Network has established a scholarship program, funded largely through the silent auction, in order to make this event available to everyone interested in attending. Scholarships will be awarded for full or partial registration to individuals who wish to attend but cannot afford to cover the full cost of participating in the conference. Homeless and formerly homeless individuals may also request an additional stipend for travel and/or hotel expenses.

Criteria for scholarship awards will be based on financial need, geographic distribution, targeted population(s) served, and the leadership skills the applicant will be able to bring back to his/her community. The number of scholarships available will depend upon total conference funding, and priority will be given to individuals affiliated with a THN member homeless coalition. Scholarships are not transferable to another individual.

If you are interested in receiving a scholarship, please complete the scholarship application below.
