TX BoS CoC Review, Score, and Ranking Procedures and Reallocation Process for HUD Continuum of Care Program Funds

Performance Review and Scoring Policies

Texas Homeless Network (THN) is the Collaborative Applicant and Continuum of Care (CoC) Lead Agency for the Texas Balance of State Continuum of Care (TX BoS CoC). THN facilitates the local competition/application process in the TX BoS CoC for U.S. Department of Housing and Urban Development (HUD) Continuum of Care (CoC) Program funds.

Applications for Renewal Projects and New Projects will undergo a threshold review by TX BoS CoC staff to ensure compliance with the HEARTH Act, the CoC Program Notice of Funding Availability (NOFA), and the local CoC Request for Proposals (RFP). Any Renewal Project or New Project not meeting the threshold requirements as outlined in the RFP may not be further reviewed and may not be considered for funding. Applications submitted after the due date and time listed in the RFP will be submitted to the CoC Board, per the policy on Late Submission of Project Applications for the HUD CoC Program competition (Appendix A) adopted by the TX BoS CoC Board on 2/10/2016.

The TX BoS CoC makes available the scoring standards for Renewal Projects and New Projects on THN’s website. Scoring is largely based on data obtained from Annual Performance Reports (APRs) generated from HMIS or Osnium (the HMIS-comparable database for victim service providers), Line Of Credit Control System (LOCCS) draw-down data, HUD monitoring reports, System-Wide Performance Measures, and other HMIS data. Feedback on scoring standards is welcomed at CoC General Meetings. The Renewal Project Score Sheet (Appendix B) and the New Project Score Sheet (Appendix C) are attached.
The TX BoS CoC appoints an Independent Review Team (IRT) to review and score Renewal Project and New Project applications. After meeting the local RFP and HUD CoC Program requirements during Threshold Review, project applications are reviewed and scored with either the Renewal Project Score Sheet (Appendix B) or the New Project Score Sheet (Appendix C), which are comprised of the scoring criteria outlined in the RFP. Review and scoring of Renewal Projects and New Projects is completed by the Independent Review Team (IRT) then tabulated by TX BoS CoC staff.

After the IRT scores all Renewal Projects and New Projects within the CoC, based on the scoring criteria contained in the Renewal Project Score Card and the New Project Score Card, the CoC Lead Agency will rank applications for the CoC Priority Listing according to the Ranking Policies, present the CoC Priority Listing to the TX BoS CoC Board, and, upon approval by the Board, submit the Priority Listing to HUD in the Consolidated Application.

New Projects

Agencies seeking CoC Program funding and most agencies that currently have CoC Program-funded projects may apply for New Projects, including a project that expands an existing Renewal Projects (Expansions), through either Reallocation or the Permanent Housing Bonus. Renewal Project applicants meeting the following criteria may not apply for a New Project through Reallocation funds or the Permanent Housing Bonus:

a. Renewal Projects that have been placed on a Performance Improvement Plan (PIP) and/or Corrective Action Plan (CAP); or

b. Renewal Projects that have been identified as an “at-risk” project by HUD and the TX BoS CoC and are receiving technical assistance from HUD through CSH

The TX BoS CoC Board has the discretion to include in the CoC’s Consolidated Application one or more project applications for the funding amount available for New Projects. The TX BoS CoC Board may also give TX BoS CoC staff direction to negotiate with conditional grantees on project applications, including negotiating budgets, to best maximize overall score and increase chances of receiving funding for New Projects through the Permanent Housing Bonus.
Ranking Policy

HUD requires Collaborative Applicants to rank all projects in two tiers.

- Tier 1 is defined by HUD in the CoC Program NOFA as a percent of the CoC’s Annual Renewal Demand (ARD) approved by HUD on the final HUD-approved Grant Inventory Worksheet (GIW). Tier 1 projects traditionally have been protected from funding cuts.
- Tier 2 is the difference between Tier 1 and the CoC’s ARD plus any amount available for the Permanent Housing Bonus, as described in the NOFA. Tier 2 projects have to compete nationally for funding. Projects placed in Tier 2 will be assessed for eligibility and threshold requirements, and funding will be determined using the CoC Application score as well as the factors listed in Section II.B.17. of the NOFA.

For FY 2017, Tier 1 is 94% of the CoC’s ARD, and Tier 2 is 6% of the CoC’s ARD plus the Permanent Housing Bonus.

The TX BoS CoC’s HMIS Project will be ranked first in Tier 1, per the policy (Appendix D) adopted by the TX BoS CoC Board on 6/8/2016, as the board views it as an essential project to effectively operate the CoC.

First-time Renewal Projects are those that were funded as part of the FY 2016 CoC Program competition that have not been in operation for at least one year or are not yet under contract and are renewing for the first time during the FY 2017 CoC Program Competition. These projects will be ranked in the bottom of Tier 1, in order of their 2016 scores.

The CoC Planning Project is not ranked, according to the NOFA.

**Ranking:**

**Tier 1:**
1. HMIS Project
2. Scored Permanent Housing (PH)—both PSH and RRH—Renewal Projects (lowest-scoring projects may drop to Tier 2)
3. First-time Renewal Permanent Housing (PH) Projects (PSH and RRH) and other Renewal Projects that have not been in operation for at least one year
4. New Projects funded through Reallocation (lowest-scoring projects may drop to Tier 2)
Tier 2:
Bonus Projects, remaining Renewal Projects, and remaining New Projects funded through Reallocation. (Bonus Projects and New Projects funded through Reallocation may out-rank Renewal Projects of the same component type by score in Tier 2.)

Projects and project component types will be organized to best maximize the CoC Consolidated Application’s overall score.

Reallocation Process

Any funds made available as part of recapturing unspent funds, voluntary reallocation, or involuntary reallocation will be made available to create New Projects, including Expansions, during the local competition/application process. Projects that have been in operation for less than twelve (12) months may not reallocate to a different project type but may apply for New Projects through the Permanent Housing Bonus or Reallocation funds, if available.

In the FY 2017 competition $70,000 of the reallocated funds will first go toward funding a New Project expanding the TX BoS CoC Homeless Management Information System (HMIS) Project grant that was lost in 2015 but awarded as a New Project in 2016 at half the original grant amount. Since HMIS is a critical function of the TX BoS CoC, the HMIS Project Expansion will be ranked first among New Projects. Remaining reallocated funds will be reallocated for other New Project(s).

Voluntary Reallocation

As part of the local competition/application process, current CoC Program recipients are asked whether they wish to voluntarily reallocate some or all of their funding. These reallocated funds, if any, are pooled for New Project(s).

Involuntary Reallocation

Projects with poor performance, that are not serving the intended population, that have unresolved HUD monitoring findings, that have had funds recaptured, and/or are underspending during the grant term are subject to involuntary reallocation. Projects that have underspent their award by 10% or more for the current grant term and have not met the HUD quarterly draw-down requirement may have their funding reduced, and these
reallocated funds are pooled for New Project(s). The TX BoS CoC may recapture up to 7% of the total project grant amount for reallocation.

Projects that have funds reallocated in consecutive competitions and/or are placed on conditional renewal for two years in a row are subject to full project reallocation in the following competition, in order to maximize future CoC Program funding.

**Conditional Renewal**

The TX BoS CoC has established a performance threshold at 75% of the top scoring Renewal Projects. For example, if the top score earned by a Renewal Project is 100 points, the minimum performance threshold will be set at 75 points. Projects scoring below the minimum performance threshold will be conditionally renewed and will be asked to develop a Performance Improvement Plan (PIP) to address performance issues by the next year’s competition. If Projects do not satisfactorily complete the PIP, those Projects may have funding reallocated in the following competition. Project Applicants may appeal the decision, using the TX BoS CoC’s Grievance Procedure (Appendix E).

This document, including all attachments was made publicly available on the THN website on 09/01/2017.

Policy on Late Submissions
CoC Program Application Process/Local Competition

Late Submission of Project Applications

Approved by the TX BoS CoC Board 2-10-2016

Policy:
Project Applicants shall adhere to all due dates and deadlines related to the TX BoS CoC’s application process, also known as the local competition, for HUD Continuum of Care (CoC) Program funding. Project Applications must be submitted by the due date and time. If a Project Application is not submitted by the due date and time, the TX BoS CoC Board will determine potential consequences, including but not limited to ranking, whether the project is ineligible for inclusion in the final TX BoS CoC’s Consolidated Application or will receive reduced funding.

Procedure:
THN staff will notify the Project Applicant via email when a Project Application is not submitted by the due date and time. THN staff will send a copy of this policy regarding late submissions.
THN staff will notify all CoC Board members via e-mail when a Project Application is not submitted by the due date and time.
THN staff will schedule a webinar meeting with the CoC Board members to discuss potential consequences. The meeting will be held within 2 business days of the day that the Project Application was submitted late.

When determining potential consequences, the CoC Board will consider the following factors:

a. Whether or not the Project Applicant has maintained regular communication with THN, as the CoC Lead Agency, during the application process/competition;
b. Whether or not the Project Applicant has maintained regular communication with THN, as the CoC Lead Agency, throughout the prior year;
c. How the Project has performed during the prior year;
d. The rate of expenditures for the project in the prior year, as evidenced by LOCCS draw-downs;
e. The potential impact of a decrease or loss of funding to the community where the project operates; and
f. The potential impact of a decrease or loss of funding to the TX BoS CoC.

THN staff will provide information and data, as requested by CoC Board members.
The CoC Board will determine consequences.
THN staff will inform the Project Applicant via email of the Board’s decision.
THN staff will inform HUD staff via email of the Board’s decision.
THN staff will maintain records of the proceedings and decisions related to the matter.

Appendix E

TX BoS CoC Grievance Procedure
Purpose

The purpose of the grievance procedure is to settle any disagreement between an Applicant Organization for the HUD Continuum of Care (CoC) Program funding and the Texas Balance of State Continuum of Care (TX BoS CoC) as quickly and impartially as possible to ensure an efficient, transparent, and fair competition.

Eligibility

A grievance may be filed by any Applicant Organization that claims it has been adversely affected by:

- Improper application of rules, regulations, and/or procedures concerning participation in the TX BoS CoC's FY 2017 CoC Program application process, as outlined in the FY 2017 Request for Proposals (RFP) and the Review, Score, and Ranking Procedures and Re-Allocation Process;
- Improper interpretation of rules, regulations, and/or procedures concerning participation in the TX BoS CoC's FY 2017 CoC Program application process, as outlined in the FY 2017 RFP and the Review, Score, and Ranking Procedures and Re-Allocation Process;
- Disparity in the application of rules, regulations, and/or procedures regarding participation in the TX BoS CoC's FY 2017 CoC Program application process, as outlined in the FY 2017 RFP and the Review, Score, and Ranking Procedures and Re-Allocation Process;
- Violation of rules, regulations, and/or procedures concerning participation in the TX BoS CoC's FY 2017 CoC Program application process, as outlined in the FY 2017 RFP and the Review, Score, and Ranking Procedures and Re-Allocation Process; and/or
- The score assigned by the TX BoS CoC Independent Review Team (IRT).
Procedure for Filing Grievances and Grievance Appeals

The steps listed below must be followed in the order given. Time limits shall begin on the first day after the applicable occurrence, filing, appeal, response, or recommendation. Due to the nature and time constraints of the CoC Program competition, working days shall include weekends and City, County, and/or Federal holidays.

Step 1

In order to be considered, a grievance must be filed in writing with the CoC Lead Agency, Texas Homeless Network (THN), within twenty-four (24) hours of notification of preliminary ranking results and whether or not the organization’s application will be included in the CoC’s Consolidated Application. An e-mail clearly stating the issue and the policy which the Applicant Organization believes was violated is sufficient to serve as a written grievance. The Applicant Organization’s grievance email should be sent to the attention of CoC Director, Kameron Fowler, at txboscoc@thn.org. The CoC Lead Agency has twenty-four (24) hours from receipt of the Applicant Organization’s grievance e-mail to respond in writing via e-mail and to resolve the grievance.

Step 2

If the Applicant Organization is not satisfied with the response received by the CoC Lead Agency and/or proposed resolution, the Applicant Organization has twenty-four (24) hours to file a grievance appeal with the TX BoS CoC Board using the attached official form. This written grievance appeal should be sent to the attention of CoC Director, Kameron Fowler, attxboscoc@thn.org.

The TX BoS CoC Board has forty-eight (48) hours to investigate and respond in writing, using the attached official form. Applicant Organization should expect to receive the response via email. The Board’s decision/response is final and binding.
Step 3

If the applicant organization is not satisfied with the TX BoS CoC Board’s response, depending on the type of appeal, the Applicant Organization may file an appeal with HUD, as outlined in 24 CFR 578.35. Details can be found in Section X of the 2017 NOFA [https://www.hudexchange.info/resources/documents/FY-2017-CoC-Program-Competition-NOFA.pdf#page=60](https://www.hudexchange.info/resources/documents/FY-2017-CoC-Program-Competition-NOFA.pdf#page=60).

General Provisions

1. The initial grievance must be submitted in writing to the TX BoS CoC within the allowable time frame in order to be considered. Email is strongly preferred.
2. The Grievance Appeal Forms provided by the TX BoS CoC (attached) must be used in pursuing a grievance appeal.
3. To expedite the process the applicant should cite the applicable sections of the RFP, NOFA, and/or Re-Allocation P&P pertaining to their grievance.
