- Tier 2 (6% of ARD + Bonuses): \$351,260
- Bonus: \$2,284,471
- DV Bonus: \$3,807,452
- Reallocated Funds: TBD

*ARD is the total amount of all the CoC's projects that are eligible for renewal in the FY 2018 CoC Program Competition, before any required adjustments to funding for leasing, rental assistance, and operating budget line items based on FMR changes.

Tiering

- Tier 1
 - 94% of ARD
 - Projects ranked in Tier 1 are more likely to receive funding
- Tier 2
 - 6% of ARD + Bonus
 - Projects ranked in Tier 2 are more at-risk of not receiving funding

Bonus Funds

- New Projects that can be created through Bonus funding:
 - Permanent Housing-Permanent Supportive Housing (PH-PSH) that is either 100% dedicated to serving chronically homeless persons or DedicatedPLUS
 - Permanent Housing-Rapid Re-Housing (PH-RRH) that will serve homeless individuals and families, including unaccompanied youth, who meet the criteria outlined in the FY 2018 CoC Program NOFA
 - Joint Transitional Housing (TH) and PH-RRH
 - Supportive Services Only for Coordinated Entry (SSO-CE)

Domestic Violence (DV) Bonus

The only persons who may be served in projects funded through the DV Bonus are survivors of domestic violence, dating violence, sexual assault, or stalking who are defined as homeless at 24 CFR 578.3.

Domestic Violence (DV) Bonus (cont.)

A CoC may apply for only one of each of the following project types:

- Rapid Re-Housing (RRH) projects that follow a Housing First approach
- Joint TH and PH-RRH (TH-RRH) component projects, as defined in Section II.C.3.m. of the FY 2018 CoC Program NOFA, that follow a Housing First approach
- SSO Projects for Coordinated Entry (SSO-CE) to implement policies, procedures, and practices that equip a community's CE process to better meet the needs of survivors of domestic violence, dating violence, sexual assault, or stalking.

Expansions through the DV Bonus

A Renewal Project applicant may expand an existing Renewal Project that is not dedicated to serving survivors of domestic violence, dating violence, sexual assault, or stalking that meet the definition of homeless in paragraph (4) of 24 CFR 578.3 in order to dedicate additional units, beds, persons served, or services provided to existing program participants to the DV Bonus population.

Expansion Projects

- Projects can increase the number of participants it serves
- Both CoC Program-Funded and Non-CoC Program-funded projects may apply
- Funded through Bonus, DV Bonus, and Reallocation funds
 - Projects may not replace state and/or local funds with CoC Program funds

Bonus and DV Bonus Funds

Whether a CoC receives Bonus or DV Bonus funds is based on three criteria:

- CoC need
- CoC overall performance
- Project quality

Therefore, Bonus and DV Bonus funds are not guaranteed to be awarded.

Reallocation

- Voluntary – A Renewal Project chooses not to apply for renewal funding
- Involuntary – Funds are reallocated away from a Renewal Project by the TX BoS CoC Board due to:
 - Unspent funds;
 - Poor performance;
 - Not serving the intended population; and/or
 - Unresolved HUD monitoring findings

Reallocation (cont.)

- New Projects that can be created through Reallocation:
 - Permanent Housing-Permanent Supportive Housing (PH-PSH) that is either 100% Dedicated to serving chronically homeless persons or DedicatedPLUS
 - Permanent Housing-Rapid Re-Housing (PH-RRH) that will serve homeless individuals and families, including unaccompanied youth, who meet the criteria outlined in the FY 2018 CoC Program NOFA
 - Joint Transitional Housing (TH) and PH-RRH
 - Supportive Services Only for Coordinated Entry (SSO-CE)
