

The background of the slide features a repeating geometric pattern of gray triangles in various shades, creating a textured, low-poly effect.

# **What's the scoop with Rapid Re-Housing?**

How does it all work...or not?

Understanding the roles of and relationships among major partners

# What in the heck is Rapid Re-Housing?

**FIND**  
Landlords &  
Apartments

**HELP PAY**  
for housing

**CONNECT**  
to jobs &  
services

Help people quickly  
find housing within  
one month or less

Help people pay for  
housing short term

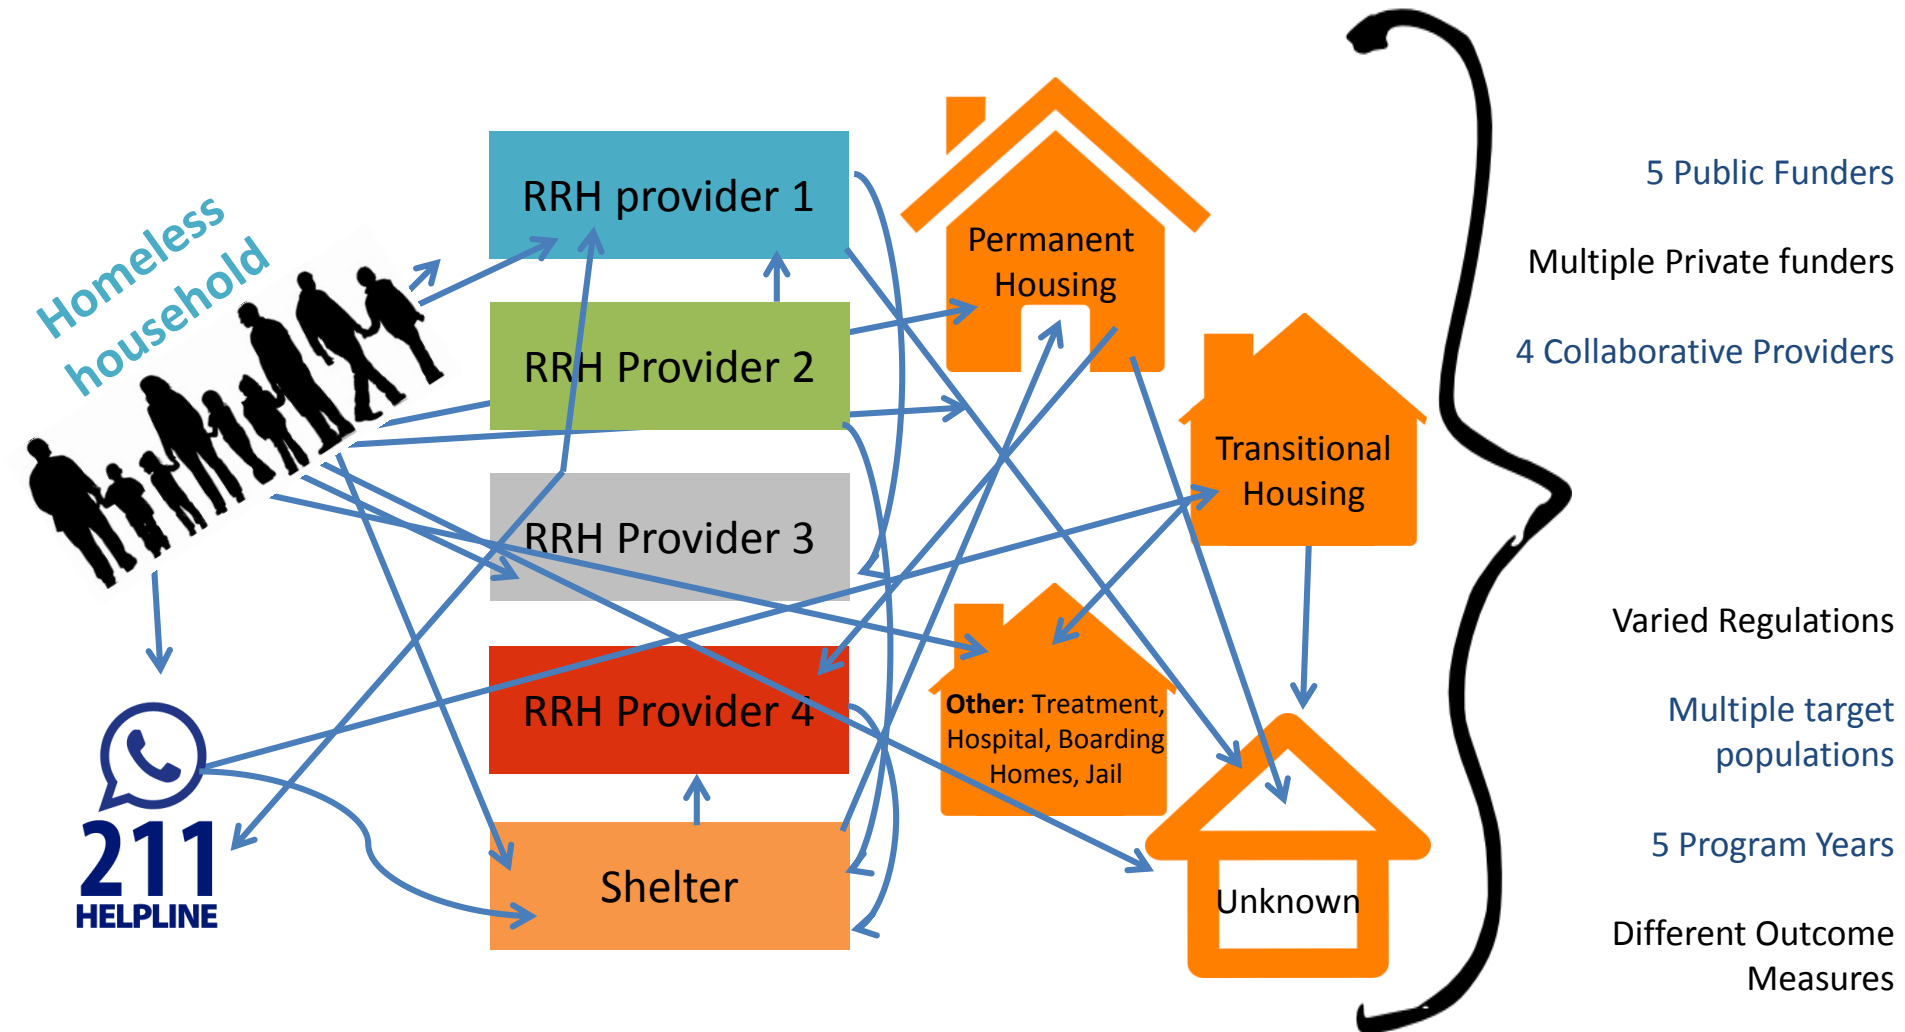

Help access services  
so people can stay in  
housing

**BUILD** relationships with landlords,  
**FIND** and secure housing, **LIMIT**  
the time a family is homeless

**PAY** for security deposits, rent and  
utilities, length of assistance varies

**CONNECT** households to services  
and supports in the community,  
**HELP** resolve issues that threaten a  
families housing stability

# Our issue: INEFFICIENCY

# Shifting the System

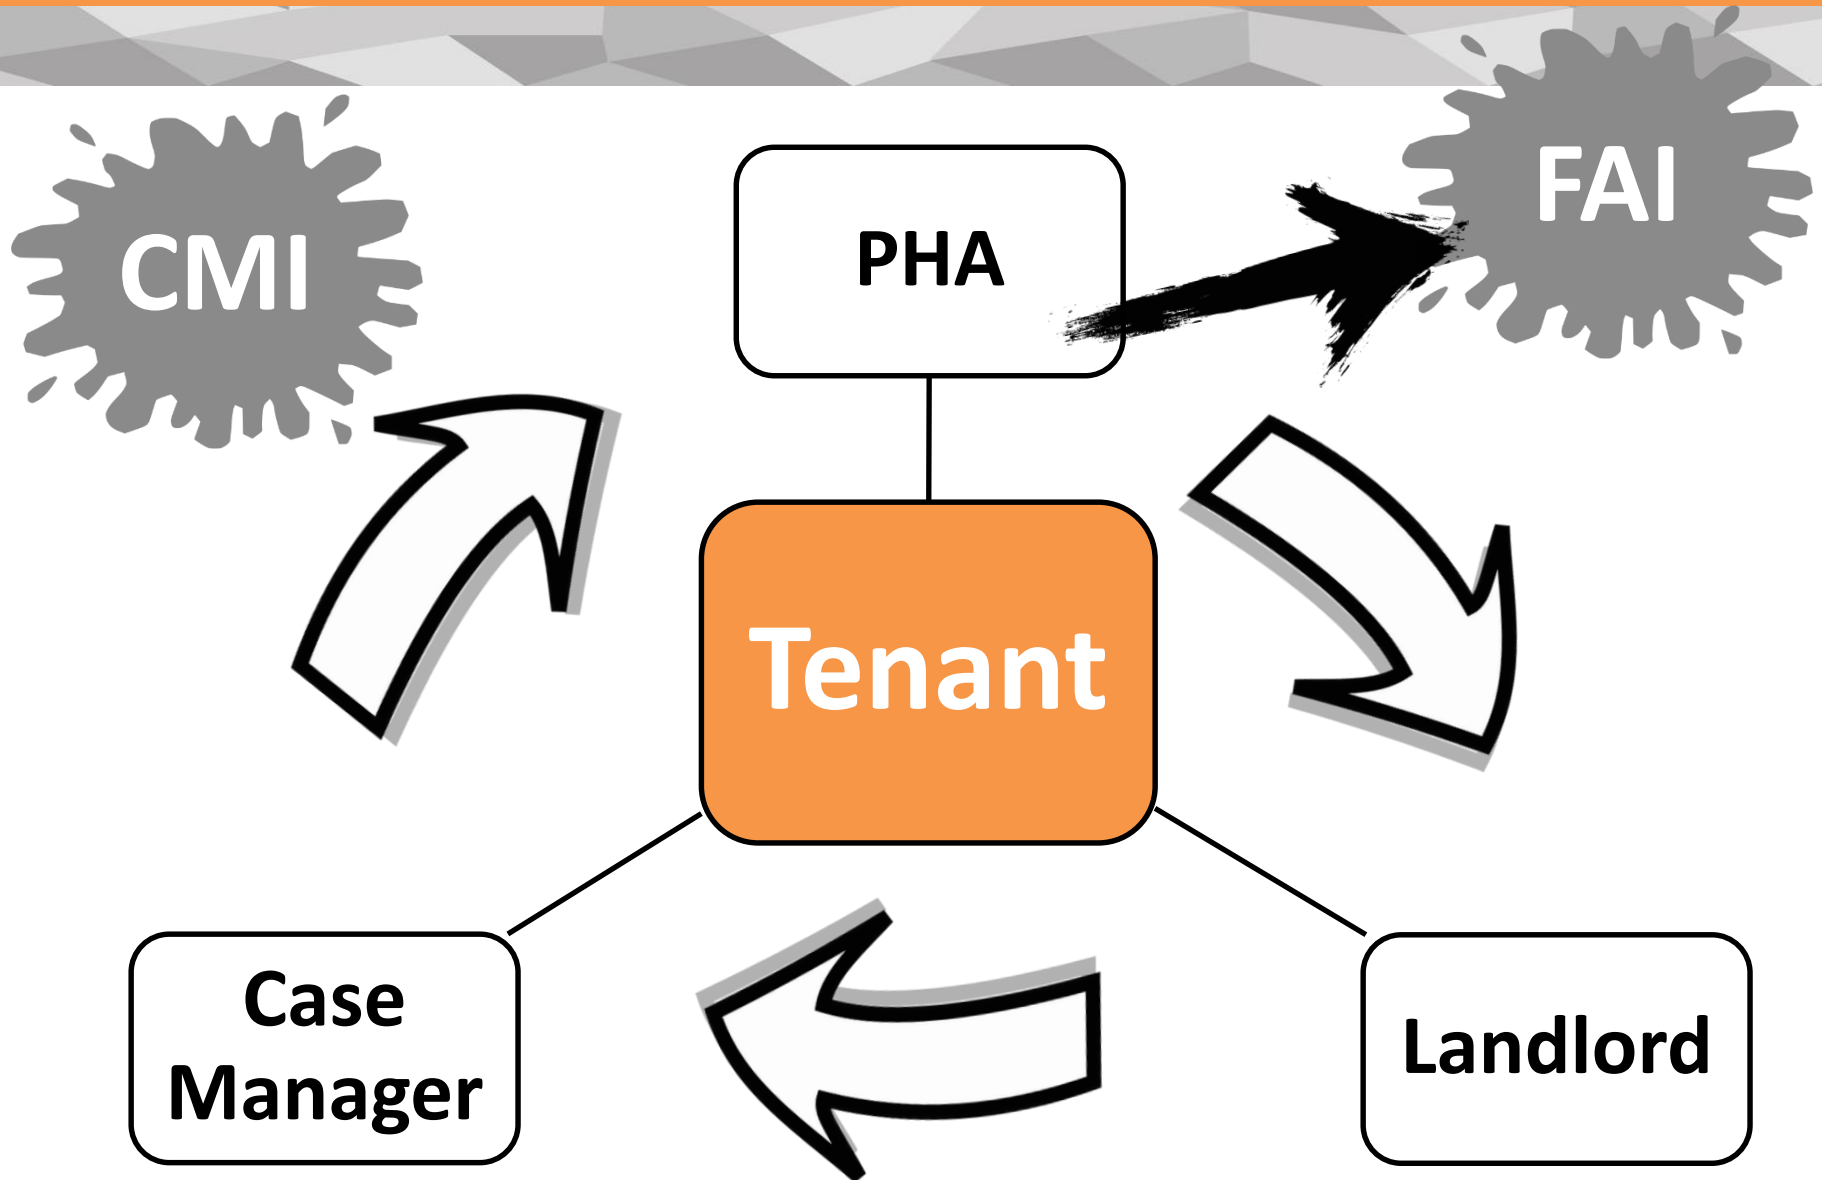

**Agency centered**

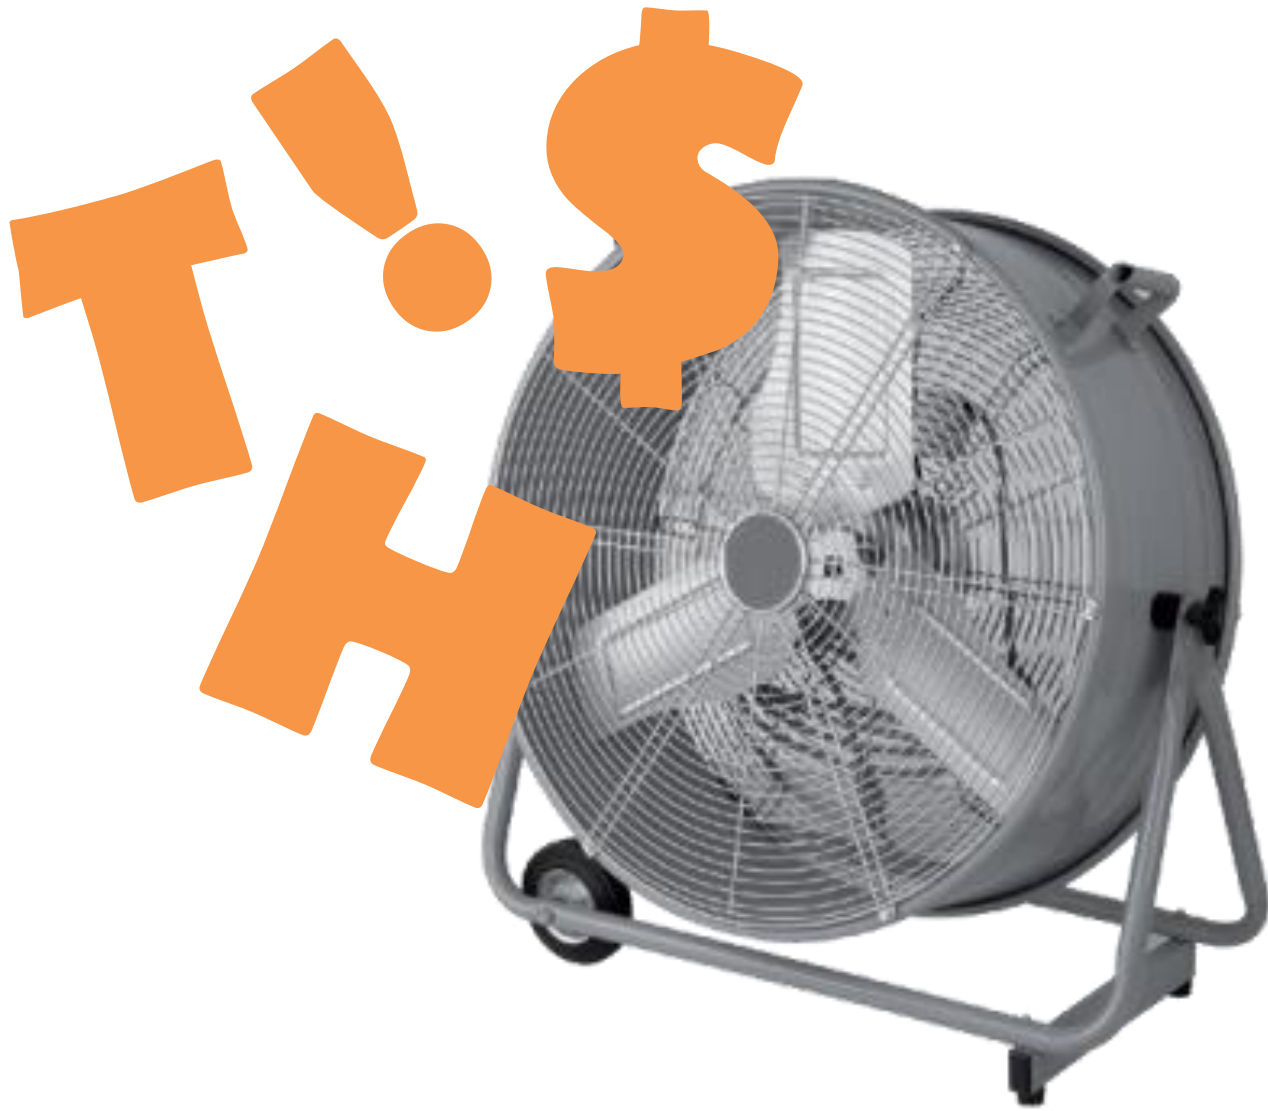

System &  
Client

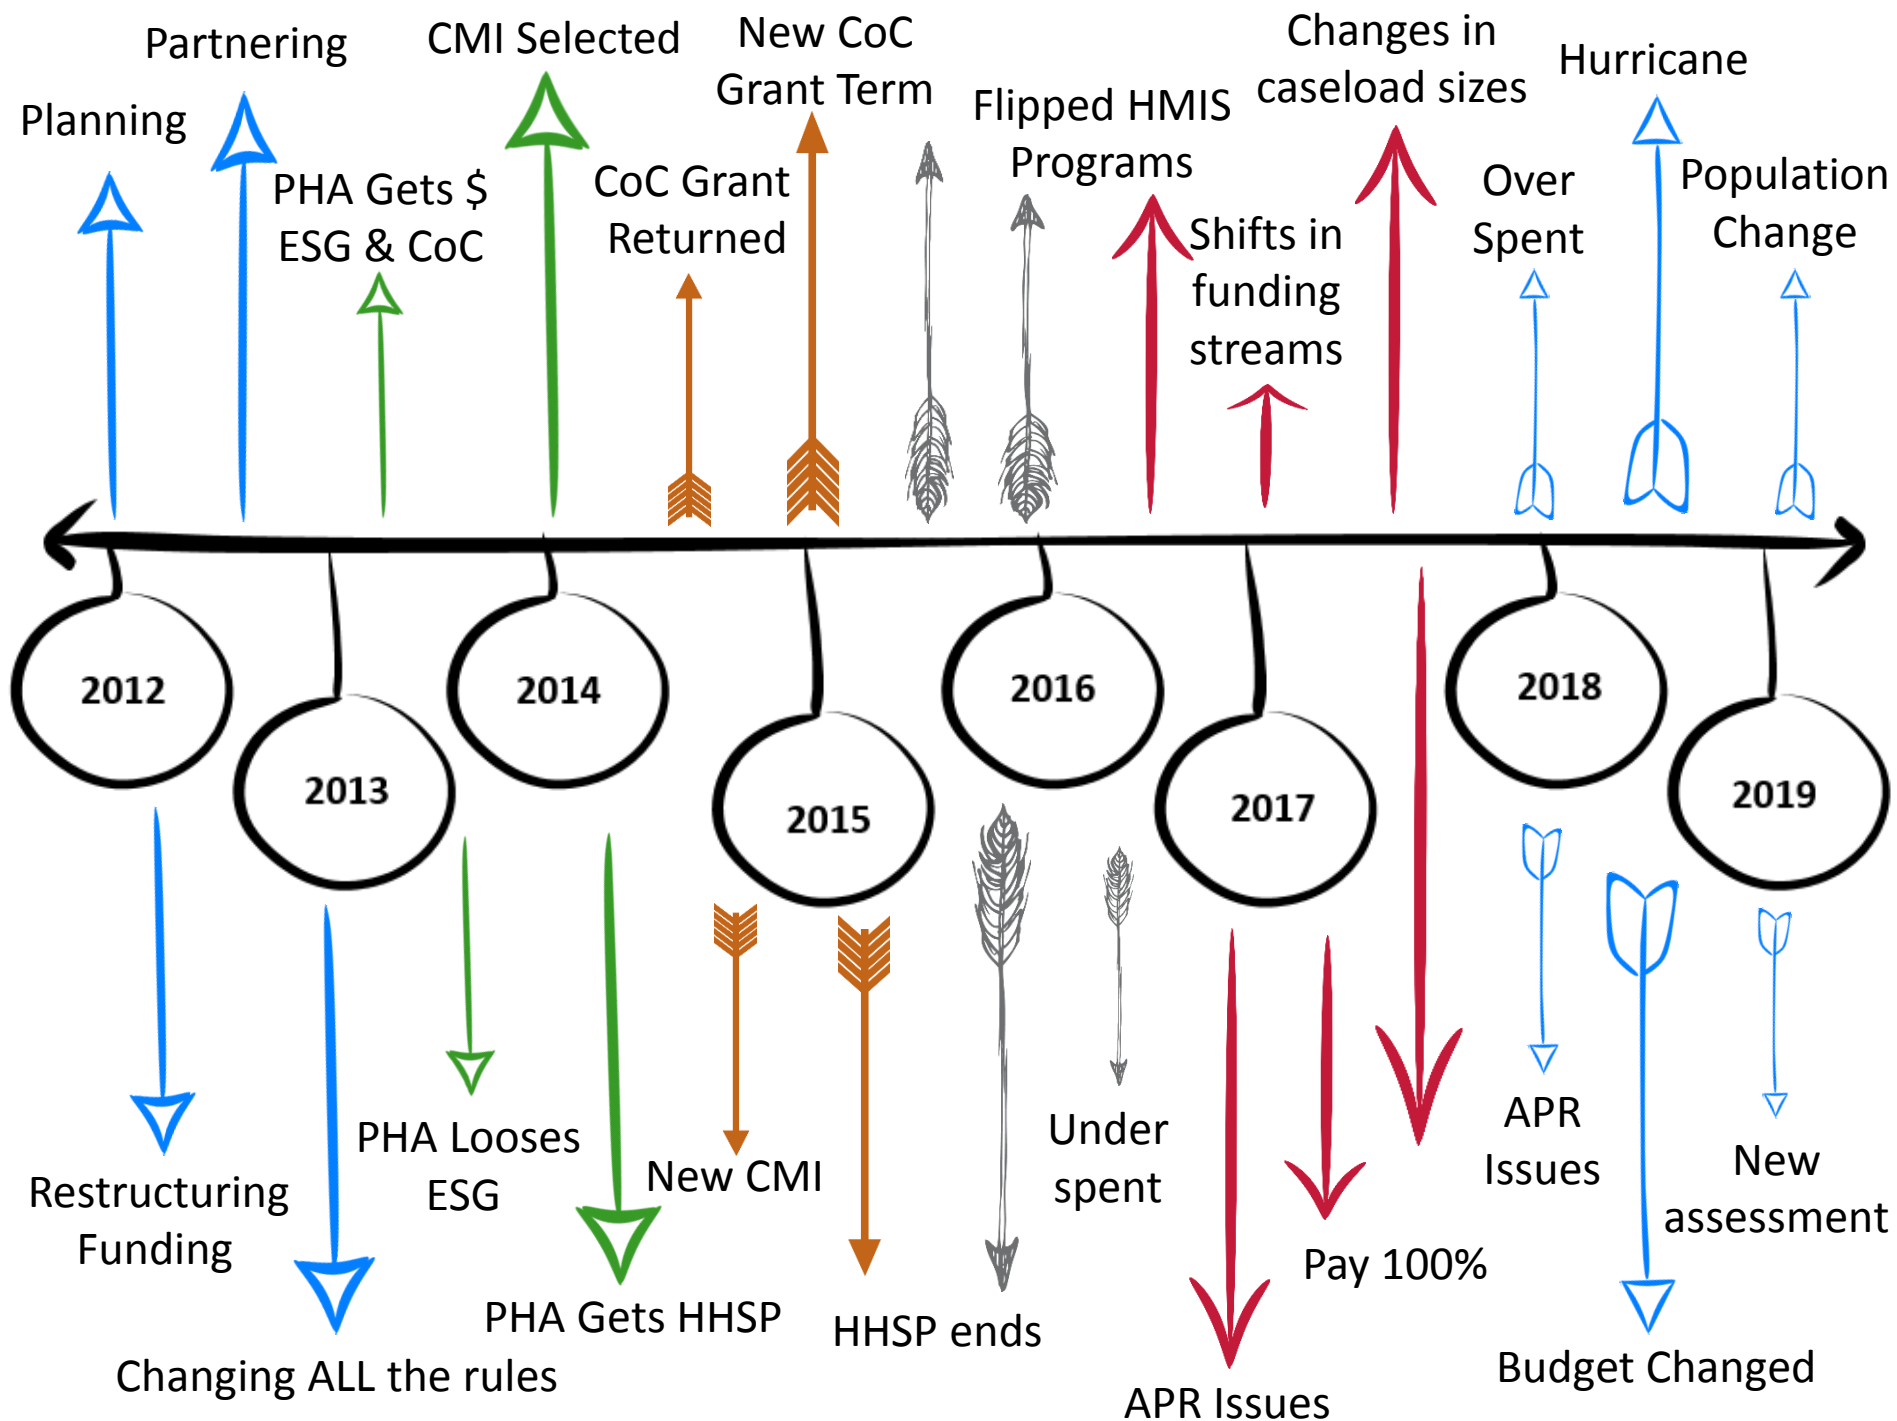

**Shifting from Agency Centered Housing to  
Systems & Client Centered Housing**

# How it Looks

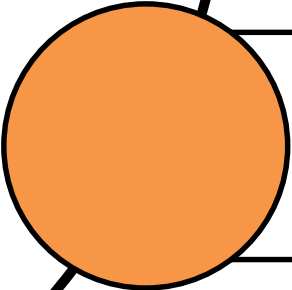

# Funding Changes

Ran out of \$\$\$

Vouchers

Paying 100% of rent/then change in  
payment scale

# Program Structure Changes

Geter' done! Focused on housing #'s rather than long-term outcomes- get them in fast

Changed assessment – prioritization

Change in length of time in program

# Data Changes

HMIS – enrollments and merging programs

APR – data quality

File auditing

# Service Delivery Changes

Lack of consistency with presenting the program – at agency and case manager levels

Changes in caseload sizes

Change in meeting structures – staffings, Peer meetings, supervisor meetings, LL events
