 - e. Poll questions -- We're asking these questions because we are designing competition that is as responsive to the needs of our communities as possible. Also, the BoS CoC is a region, and we are tasked with coming up with a list of priorities for the CoC as a whole.
 - i. Potential uses of ESG funds -- filling in gaps, complementing other funding, capital investments (rehabbing shelters, furniture, HVAC, roofing),

TX BoS CoC General Meeting

Emergency Shelter operations, targeting the "hardest to reach" people, and street outreach

- ii. It's possible to get greater collaboration among agencies through the procurement process, since subgranting and subcontracting will not be allowed with the 2019 funds.

<https://www.tdhca.state.tx.us/home-division/esgp/video-library.htm>
- iii. "What other reasonable performance outcomes should be considered?" Are current performance measures for SO, HP, ES, and RRH sufficient to know whether or not we're being successful? We are NOT changing performance measures for PY2019. But we want to hear your ideas for the future.
- iv. ESG application timeline
