#### I. <u>INTRODUCTION - INVITATION & BACKGROUND</u>

Texas Homeless Network (THN) serves as the Collaborative Applicant, CoC Lead Agency, and Homeless Management Information System (HMIS) Lead Agency for the Texas Balance of State Continuum of Care, which covers 215 counties of Texas' 254 counties. The Texas Balance of State Continuum of Care (TX BoS CoC) was formed to carry out the responsibilities required under the CoC Program Interim Rule (24 CFR 578). The CoC is comprised of a broad group of stakeholders dedicated to ending and preventing homelessness across Texas. The over-arching CoC responsibility is to ensure community-wide implementation of efforts to end homelessness, including ensuring programmatic and systemic effectiveness of the local continuum of care program.

Applicants for CoC Program funding may not apply to the U.S. Department of Housing and Urban Development (HUD) directly without the approval of the CoC. They must apply as part of a Consolidated Application through a Continuum of Care's (CoC's) "local application process". For the TX BoS CoC, THN is the Lead Agency and Collaborative Applicant, and THN manages the CoC's Local Application Process. The process is described in this RFP and includes reviewing, selecting, and ranking Project Applications, then submitting them to HUD under a Consolidated Application.

This funding is not guaranteed year-to-year. Multiple factors influence an application's overall score and chances of funding, including performance, the CoC Application, whether the project incorporates a Housing First model, and other specific conditions of the Notice of Funding Opportunity (NOFO).

#### I. <u>DEFINITIONS</u>

See Section III.B of the FY2021 Notice of Funding Opportunity for applicable definitions

#### II. POINT OF CONTACT

THN has designated a Lead who is responsible for this RFP:

Jim Ward
Director of Planning,
txboscoc@thn.org

#### III. CHANGES TO THE PROCESS THIS YEAR

In an effort to streamline the Local Application Process for Project Applicants, the CoC Lead Agency has made the following significant changes to the process:

• Project Applicants are required to submit all application materials through the "Apply" application

software. See also Section II.E of this RFP.

• Projects applying to renew without expansion are exempt from completing the Supplemental Project Narrative section of the application, but are instead requested to submit responses to optional narrative prompts, for more information see Appendix B.

#### II. PROJECT SCOPE OF WORK

THN is seeking proposals from agencies seeking to:

#### A. Administer New Projects

HUD has made \$7,304,647 of funding available to develop new projects in the Texas Balance of State Continuum of Care under the CoC Bonus and the DV Bonus. New Projects refer to those that have not been funded through the CoC Program in previous competitions; this is inclusive of Expansion Projects, which expand eligible Renewal Projects.

# i. <u>CoC Bonus</u>

Available: \$2,304,647

Applicants can apply for the following project components:

- Permanent Housing Permanent Supportive Housing (PSH)
- Permanent Housing Rapid Re-Housing (RRH)
- Joint Transitional Housing and Permanent Housing Rapid Re-Housing (Joint TH and PH-RRH)
- Supportive Services Only Coordinated Entry (SSO-CE)

CoCs may apply for more than one CoC Bonus project, and Agencies may apply for more than one New Project.

For more information about the CoC Bonus, visit Section V.B.3.e of the HUD CoC Program

Notice of Funding Opportunity.

#### ii. DV Bonus

Available: \$5,000,000

Applicants can apply for the following project components:

- Permanent Housing Rapid Re-Housing (RRH)
- Joint Transitional Housing and Permanent Housing Rapid Re-Housing (Joint TH and PH-RRH)
- Supportive Services Only Coordinated Entry (SSO-CE)
   NOTE: Only one NEW SSO-CE project per CoC will be awarded under the DV Bonus

For more information about the DV Bonus, visit Section V.B.4.a(4) of the HUD CoC Program NOFO.

## iii. <u>Types of Projects</u>

There are four (4) types of projects eligible for new project funding through the CoC Bonus or DV Bonus.

- o Rapid Re-Housing
- o Permanent Supportive Housing
- o Joint Transitional Housing and Rapid Re-Housing
- Supportive Services Only-Coordinated Entry

The FY2021 HUD CoC Program NOFO specifies specific threshold factors for all new projects. Those factors can be found in the NOFO at Section 5.C.3.c also excerpted below.

## a. RRH Rapid Re-Housing

All new Permanent Housing must meet 3 of the 4 criteria below

- The type of housing proposed, including the number and configuration of units, will fit the needs of the program participants (e.g., two or more bedrooms for families).
- The type of supportive services that will be offered to program participants will ensure successful retention in or help to obtain permanent housing, including all supportive services regardless of funding source.
- The proposed project has a specific plan for ensuring program participants will be individually assisted to obtain the benefits of mainstream health, social, and employment programs for which they are eligible to apply meets the needs of program participants (e.g., Medicare, Medicaid, SSI, Food Stamps, local Workforce office, early childhood education)
- Program participants are assisted to obtain and remain in permanent housing in a manner that fits their needs (e.g., provides the participant with some type

of transportation to access needed services, safety planning, case management, additional assistance to ensure retention of permanent housing).

- b. PSH Permanent Supportive Housing See Section II.A.iii.a of this RFP
- c. TH/RRH Joint Transitional Housing & Rapid Re-Housing All new Joint TH/RRH must meet 4 of the 6 criteria below
  - The type of housing proposed, including the number and configuration of units, will fit the needs of the program participants (e.g., two or more bedrooms for families).
  - The proposed project will provide enough rapid rehousing assistance to ensure that at any given time a program participant may move from transitional housing to permanent housing. This may be demonstrated by identifying a budget that has twice as many resources for the rapid rehousing portion of the project than the TH portion, by having twice as many PH-RRH units at a point in time as TH units, or by demonstrating that the budget and units are appropriate for the population being served by the project.
  - The type of supportive services that will be offered to program participants will ensure successful retention or help to obtain permanent housing, including all supportive services regardless of funding source
  - The proposed project has a specific plan for ensuring program participants will be individually assisted to obtain the benefits of mainstream health, social, and employment programs for which they are eligible to apply and which meets the needs of program participants (e.g., Medicare, Medicaid, SSI, Food Stamps, local Workforce office, early childhood education)
  - Program participants are assisted to obtain and remain in permanent housing in a manner that fits their needs (e.g., provides the participant with some type of transportation to access needed services, safety planning, case management, additional assistance to ensure retention of permanent housing)
  - The project adheres to a Housing First model as defined in Section III.B.2.o of the HUD CoC Program NOFO
- d. SSO-CE Supportive Services Only –Coordinated Entry
  New SSO-CE projects must meet two of the 4 criteria below
  - The centralized or coordinated assessment system called "Coordinated Entry in the TX BoS CoC" is easily available/reachable for all persons within the CoC's geographic area who are seeking homelessness assistance. The system must also be accessible for persons with disabilities within the CoC's geographic area
  - There is a strategy for advertising that is designed specifically to reach homeless persons with the highest barriers within the CoC's geographic area

- There is a standardized assessment process
- Ensures program participants are directed to appropriate housing and services that fit their needs.

#### iv. Projects Prioritized by the TX BoS CoC

In addition to all other eligible projects, consistent with Section II.B.4 of the HUD CoC Program NOFO the TX BoS CoC will prioritize through scoring, two (2) types of new projects.

a. Permanent Housing that demonstrates leveraging other housing resources

These points are available for CoCs that apply for at least one new permanent supportive housing or rapid re-housing project that utilizes housing subsidies or subsidized housing units not funded through the CoC or ESG programs. Housing subsidies or subsidized housing units may be funded through any of the following sources:

- Private organizations;
- > State or local government, including through the use of HOME funding provided through the American Rescue Plan;
- ➤ Public Housing Agencies, including through the use of a set aside or limited preference;
- > Faith-based organizations; or
- Federal programs other than the Continuum of Care (CoC) or Emergency Solutions Grant (ESG) programs.

Applicants must demonstrate that;

For PSH, 25% of the units, or for RRH, 25% of the program participants will be supported by another subsidy as described above. Additionally, applicants must submit written documents:

- Applicants must submit letters of commitment, contracts, or other formal written documents that demonstrate the number of subsidies or units being provided to support the project on request by the CoC Lead Agency.
- b. Permanent Housing that demonstrates coordination with healthcare organizations

  Permanent Supportive Housing or Rapid Re-Housing project that utilizes
  healthcare resources to help individuals and families experiencing
  homelessness. Sources of health care resources include:
  - > Direct contributions from a public or private health insurance provider to the project, and
  - Provision of health care services by a private or public organization tailored to the program participants of the project.
  - > Eligibility for the project must comply with HUD program and fair

housing requirements. Eligibility criteria cannot be restricted by the eligibility requirements of the health care service provider

Applicants must demonstrate through a written commitment from a healthcare organization that the value of the assistance being provided is at least.

- In the case of a substance abuse treatment or recovery provider, it will provide access to treatment or recovery services for all program participants who quality and choose those services; or
- An amount that is equivalent to 25 percent of the funding being requested for the project will be covered by the healthcare organization

For more information about these priorities please visit Section VII.B.6 and Section VII.B.7 of the FY2021 HUD CoC Program NOFO

#### B. Renewing Projects Currently Funded through the CoC Program

HUD makes available to each CoC the amount of funding needed to re-fund all currently funded projects. This amount is called the Annual Renewal Demand (ARD). The TX BoS CoC's FY 2021 estimated ARD is \$9,220,238.

For a complete list of eligible renewal projects please see the FY2021 Grant Inventory Worksheet (Appendix A)

#### C. Limitations on New Project Funding

To maximize the competitive advantage of the TX BoS CoC in the FY2021 CoC Program Competition, the TX BoS CoC Board, on behalf of the TX BoS CoC has adopted the following limitations and conditions on New Project applications

- 1. New projects may request no more than a one (1)-year grant term
- 2. No applications requesting capital costs (i.e., new construction, acquisition, or rehabilitation) will be accepted, considering:
  - a. Those projects must request a minimum of a 3-year grant term and may request up to a 5-year grant term, which, if awarded, would use a considerable portion (or all) of the Bonus funding available to the TX BoS CoC.
  - b. Other funding sources, such as Home Investment Partnerships Program (HOME) and HOME-ARP (American Rescue Plan) funds and U.S. Department of Agriculture's Community Facilities funds, could be used for capital costs.
- 3. All New Project Applicants must participate in technical assistance with CoC Lead Agency so that applicants are aware of what the CoC Program and the TX BoS CoCs requirements and expectations of projects are and that the applicant can reasonably be expected to meet

them.

# D. Grant Terms

New projects in the TX BoS CoC are limited to a 1-year grant term consistent with Section V.B.3.f(1) & Section V.B.3.f(10) of the HUD NOFO.

Renewal projects, including Expansion Projects are limited to a 1-year grant term as specified in Section V.B.3.d of the HUD NOFO

## v. FULL APPLICATION STAGE

The Full Application opens on Thursday, September 2, 2021 at 12:00:00. The components of the full application stage can be found in Attachment B of this RFP. There are two major components of the Full Application, "Apply" and "e-snaps". For more information on Apply, see Section II.E of this RFP.

E-snaps is the Grant Management Software used by HUD. Applicants must complete an application in e-snaps and then export and upload the completed e-snaps project application to Apply. HUD will evaluate projects based on the Applicant's e-snaps application and the application's relative ranking in the CoC's Priority Listing submitted as part of the CoC's Consolidated Application. The importance of close attention to detail as it relates to the e-snaps application cannot be overstated. Applicants are highly encouraged to consult reference materials published by HUD on the HUDexchange.

https://www.hud.gov/program offices/comm planning/coc/competition

NOTE: Applicants must consult the relevant New or Renewal Project Detailed Instructions for the e-snaps application. The e-snaps application upload to Apply is a <u>scored</u> component of the TX BoS CoC Local Application Process. Failure to reference the Detailed Instructions while completing the e-snaps application may result in a lower overall application score in the Local Application Process. Applicants can access the Detailed Instructions at <a href="https://www.thn.org/texas-balance-state-continuum-care/continuum-care-program/">https://www.thn.org/texas-balance-state-continuum-care/continuum-care-program/</a>

#### vi. OPTIONAL Q&A WEBINARS & FREQUENTLY ASKED QUESTIONS

CoC Lead Agency Staff will host two (2) open format Q&A webinars during the Local Application Process. These webinars are optional, and will be recorded and posted to <a href="https://www.thn.org/texas-balance-state-continuum-care/continuum-care-program/#comp-app-materials">https://www.thn.org/texas-balance-state-continuum-care/continuum-care-program/#comp-app-materials</a> for review by all applicants. There is no agenda for these webinars. These webinars are intended to supplement, not replace the required technical assistance for new applicants.

In addition to the Optional Q&A webinars, CoC Lead Agency Staff have published a Frequently

Asked Questions document that can be accessed by following the link below. https://docs.google.com/spreadsheets/d/1n2Eg4WpVZvy0A8olk2q1VtTZjhAkdJswEJIW4mtyB3w/edit?usp=sharing

#### vii. SUBMISSION OF PROJECT APPLICATIONS

All applicants must submit a completed project application in Apply by Wednesday September 22, 2021. The content in Apply represents the complete project application. THN will not accept late or incomplete submissions. For more details regarding the content of the Apply application portal, please see Appendix B. Applicants should also review Section IV.C of this RFP.

# viii. APPLICATION REVIEW PROCESSES

All applications will go through two (2) standard review processes. Those review processes are explained below.

#### a. Threshold Review

This review occurs in Stages. At the submission of the Intent to Apply, Staff review each application to verify the following,

- Applicants must be nonprofit organizations, states or local governments, or instrumentalities of state and local governments, including Public Housing Authorities
- o Applicants must have an active SAM Registration
- o Applicants must have an active DUNS Number
- o The Applicant must have no outstanding delinquent federal debts

Applicants that do not meet the above criteria will be rejected in Apply and notified in writing that they are ineligible and therefore will not get access to the full application.

Upon submission of the full application, Staff will review the following,

- o That the proposed Project will serve a county, or multiple counties in the Texas Balance of State Continuum of Care
- o Applicants must have a financial management system that meets Federal standards as described at 2 CFR 200.302, as demonstrated by e-snaps upload
- The Application must contain completed Certification Regarding Lobbying and Disclosure of Lobbying Activities (SF-LLL) as demonstrated by e-snaps upload
- The Application must contain a Code of Conduct or the Applicant's Code of Conduct must be on file with the Federal Government as demonstrated by esnaps upload

During this review process, CoC Lead Agency Staff will review each application for completeness. Completeness means that all required signatures are present, that the applicant uploaded valid attachments that are responsive to the prompts in Apply, and that there are no obvious discrepancies in the application that would limit the ability of

the Reviewers to score the application. CoC Lead Agency Staff will contact Applicants to request specific corrections consistent with the TX BoS CoC Review and Scoring Policy. Project Applicants with applications requiring corrections must submit corrections in Apply by Tuesday September 28, 2021 at 11:59:59 PM. Specific corrective actions and instructions for re-submission will be communicated by Staff, dependent on the deficiency identified.

## b. Project Quality Review

All projects that pass the Threshold Review will then undergo a Quality Review conducted by CoC Lead Agency Staff. This review focuses on the e-snaps project application upload. Through the Quality Review process, CoC Lead Agency staff are ensuring that the Project Applicant followed the detailed instructions provided by HUD, that there is consistency throughout the Application, and that the Applicant's responses address all parts of the questions.

If staff identify deficiencies in the Project Application or the supporting documents uploaded to Apply during the Quality Review, the Application will be amended back to the Applicant both in Apply, and in e-snaps (if required). Staff will notify both the Authorized Representative and the Person to Contact Regarding the Application in writing to resubmit the Application for consideration. Applicants will have 72 hours to correct the identified deficiencies. The last day for Quality Review corrections to be submitted to THN is Wednesday, October 6, 2021, at 11:59:59 PM

#### IV. APPLICATION PREPARATION AND SUBMISSION

These instructions outline the guidelines governing the format and content of the application and the approach to be used in its development and presentation.

#### A. NUMBER OF RESPONSES

Eligible entities may submit Project Applications for CoC Program Funding; there is no limit to the number of applications a Project Applicant may submit. The Project Applicant will enter into an agreement with HUD if awarded and will be responsible for the deliverables and terms specified in the agreement(s).

#### B. APPLICATION FORMAT

Project Applicants must submit the Application Packet through Apply. Apply is the TX BoS CoC Grant Management Software used for competitive funding applications. Organizations must have a primary and secondary authorized official in order to submit an application in Apply. There is no cost to create an account in Apply. It is the sole responsibility of the applicant to understand, and plan for challenges that can arise from the use of software-based application processes. Where applicable, attachments must follow the attachment requirements, which are clearly communicated in the software and Attachment B of this RFP.

Application consistency is paramount. Please use the EXACT same naming conventions from esnaps and in Apply, and on all supporting documentation. For example, if you named the project "Looking Forward" in Apply, there should be a corresponding "Looking Forward" e-snaps application upload. Inconsistency in naming conventions will slow the entire process for all applicants. Please follow the naming conventions for the attachments in e-snaps, where applicable. HUD prescribes naming conventions in the Detailed Instructions, and applications that do not follow these instructions will be returned for corrections.

# C. <u>APPLICATION COMPONENTS AND CHECKLIST</u>

#### D. CERTIFICATION OF CONSISTENCY WITH THE CONSOLIDATED PLAN

All applications must include a HUD required Certification of Consistency with the Consolidated Plan (Certificate). This Certificate is completed by the Participating Jurisdiction (PJ) in the area the proposed project will operate. When a Project's coverage area spans multiple PJ, it is only necessary to collect one (1) Certificate.

The deadline for applicants to submit the required Certificate is as follows

Wednesday, September 22, 2021 at 11:59:59 PM all applicants must submit a completed, signed Certificate through the appropriate screen in Apply for each proposed Project. Applicants that plan to appeal a PJ's refusal to supply the Certificate must indicate that intent through attachment of a statement on Agency Letterhead in place of the Certificate. This statement must describe the situation, including the date of the written request to the PJ, their response if any, and all written communication with the PJ. Applicants must describe how they will follow the steps to appeal the PJ's refusal to supply this required certificate in Section X.E. of the 2021 CoC Program NOFO including a proposed timeline for the appeal.

Wednesday, October 13, 2021 at 11:59:59 PM applicants that have not yet submitted a completed Certificate must submit either, 1) a completed certificate or, 2) evidence of a written appeal consistent will Section X.E of the NOFO via email to <a href="mailto:txboscoc@thn.org">txboscoc@thn.org</a> Applicants that do not satisfy this deadline will not be eligible for inclusion in the TX BoS CoC Priority Listing, as they are ineligible for funding under the CoC Program.

NOTE: Satisfaction of this deadline does not constitute an endorsement of the proposed project by THN or in any way obligate the TX BoS CoC to ultimately include the Application in the priority listing submitted to HUD.

#### E. APPLICATION REQUIREMENTS

All applications must include the information requested in Section IV.C.1 or Section IV.C.2 as applicable. THN may, at its discretion, request additional documentation outside of Apply to validate the response to any question in Apply or in e-snaps.

## V. **EVALUATION**

#### A. SCORING

Scoring is the primary method of evaluation for all CoC Program Applications in the TX BoS CoC. New Project Applications including expansions are scored using the Application Score Cards (Appendix C) for the project type. Renewal Project Scorecards are also listed in Appendix C, however not all renewal projects are scored. Those renewal projects with less than 12 months of data, or for those that are the only project of the type, are exempted from the scoring process and are "held harmless" as provided for in the TX BoS CoC Review and Scoring Policy. Projects that are held harmless will be included in the FY2021

CoC Program Priority Listing in the FY2019 ranked order as submitted in the FY2019 TX BoS CoC Priority Listing. Projects held harmless are indicated by a "Y" on Column W of Attachment A.

Renewal Projects will be evaluated on a rolling 12 month basis. For the FY2021 TX BoS CoC Local Application Process, the review period is August 1, 2020 – July 31, 2021. CoC Lead Agency Staff will begin the process of completing the Local Application Process Renewal Scorecards Monday October 4, 2021.

# B. INDEPENDENT REVIEW TEAM

The Independent Review Team (IRT), is a group of TX BoS CoC Stakeholders assembled for the sole purpose, of reviewing the FY2021 CoC Program Applications in the Balance of State CoC. IRT recruitment is focused on direct service staff, people with lived experience of homelessness, and people that live and/or work in the Balance of State CoC. IRT members sign a Conflict of Interest disclosure prior to review of any application materials and undergo training to successfully carry out this important role. Per the Review and Scoring Policy, each New Project application is reviewed by two (2) IRT members, and their scores are averaged in order to create a final score.

CoC Lead Agency Staff will share the results of the IRT evaluation with Project Applicants via Apply on Thursday October 21, 2021. Project Applicants may request changes to questions that are objective and that the Project Applicant thinks received an incorrect score. For example, the reviewer did not score an applicant response to a question, reducing the average score for that question. CoC Lead Agency Staff will review the applicant response to IRT scoring and reconcile scores where appropriate. CoC Lead Agency Staff will not consider any information that was not included in the applicant's original response to the question. Requests for reconsideration must be submitted to THN by Friday October 22, 2021 at 11:59:59 PM CST

#### C. RANKING

The TX BoS CoC Staff rank projects using the <u>TX BoS CoC Ranking Policy</u> and present the proposed ranking scenarios to the CoC Board. When the CoC Board votes on the ranking, the CoC Lead Agency Staff will promptly notify Applicants of the results and whether a specific project will be submitted with the 2021 Consolidated Application.

#### D. **GRIEVANCES**

Project Applicants must adhere to the Grievance Policy below.

Grievances must be written on Applicant's letterhead, addressed to the TX BoS CoC Board, and received by THN at <a href="mailto:txboscoc@thn.org">txboscoc@thn.org</a> no later than 24 hours after the notification that indicates that the application will not be included in the CoC's Priority Listing (which is estimated to be Thursday, October 28, 2021 at 4:59:59 PM) See Appendix D Grievance Policy for more information about the remedies available to applicants in the CoC Program Competition.

Grievances should reference a specific policy that was violated, and a proposed remedy. Grievances that do not satisfy these conditions will not be considered. The CoC Board will make the final decision about the Grievance on Monday, November 1, 2021 at 4:59:59 PM. The board's decision regarding any grievance will be communicated to the applicant in writing by Jim Ward, Director of Planning.

#### E. MINOR CORRECTIONS OR ADDITIONAL INFORMATION

Applicants with projects selected for inclusion in the TX BoS CoC's Priority Listing may be solicited for minor corrections or additional information about the project after applicants are notified whether an application will be submitted with the 2021 Consolidated Application. Examples of minor corrections could be;

- i. A typo in the Project's Certification of Consistency with the Consolidated Plan
- ii. Typos or errors in the e-snaps project application

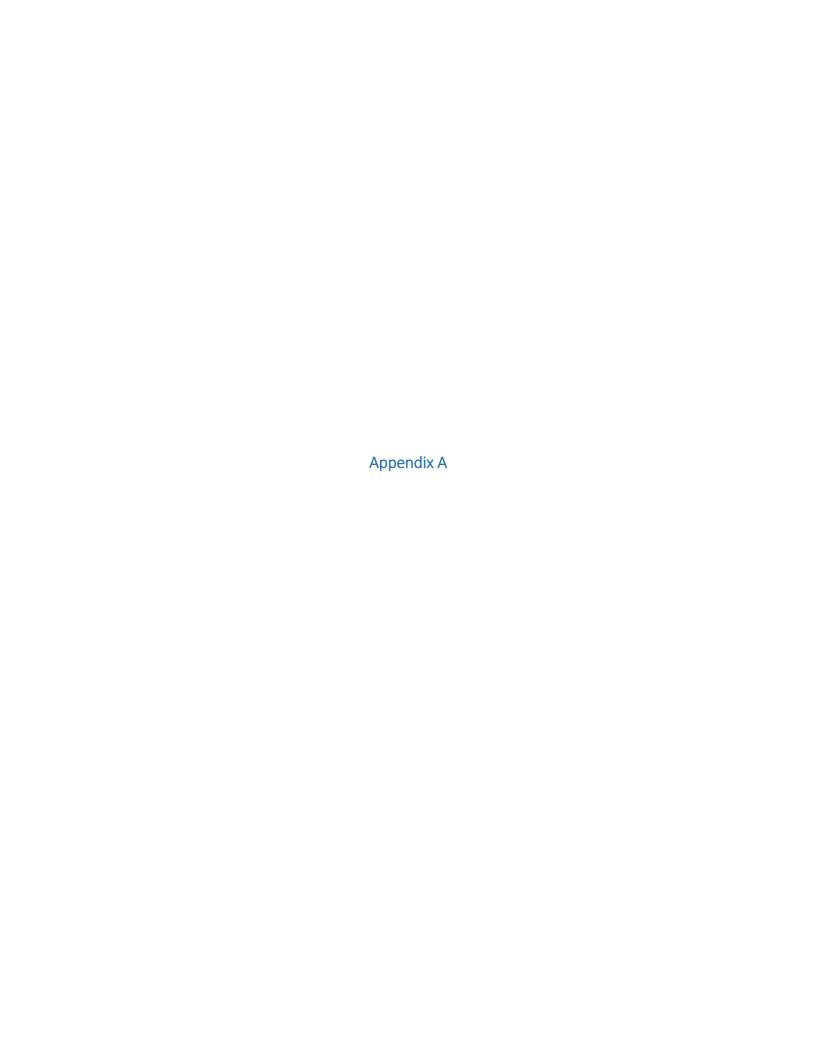

Regardless of the specifics of the minor correction, or number of corrections required, or information requested, all responses to these requests must be submitted to THN for inclusion in the Priority Listing no later than Monday, November 8, 2021, at 11:59:59 PM.

# VI. AWARD

HUD will select and notify applicants of the overall outcome of the FY2021 CoC Program Competition via a Notice of Conditional Award. These announcements usually occur anywhere from January-March of the year following the competition. Once applicants are notified by HUD that the project has been selected, CoC Lead Agency Staff will contact the authorized primary and secondary contacts to collect a signature on the CoC Expectations Form, and schedule "Start-up" Technical Assistance.

Satisfying the Terms and Conditions of the Notice of Conditional Award is the sole responsibility of the Applicant, however, CoC Lead Agency Staff are available to provide support and guidance through this process. Often, the post-award phase of the project can take several months or longer depending on the conditions placed on the award. To learn more about the post-award process and what to expect, please visit this link. Given the potentially lengthy nature of the post-award process, applicants that are selected for inclusion in Tier 2 of the CoC's priority listing are encouraged to "Act as-if" and begin preparing for award upon conclusion of the TX BoS CoC Local Application Process. CoC Lea d Agency Staff are available to assist with this process if requested

The use of Grant Management Software is new for the FY2021 TX BoS CoC Program Local Application Process, In prior years, applicants submitted application materials to THN for review and assessment through a variety of methods, almost always involving some back and forth between the parties. This year, the entire application process will be hosted online at <a href="https://thncompetition.smapply.io/prog/">https://thncompetition.smapply.io/prog/</a>, This site is known as "Apply". Apply will prompt the user for the required application materials, including all required uploads however, it is the responsibility of the Applicant to understand the selections, and how to submit the required materials. THN can assume no responsibility whatsoever for user error, or technical difficulties that may occur. Users can make multiple submissions. The following page details the variety of information that Applicants will be required to complete in Apply, or upload to Apply.

#### Procedure for Filing Grievances and Grievance Appeals

The following steps must be taken, in the order given. Time limits shall begin on the end of the first day after the applicable occurrence, filing, appeal, response, or recommendation. Due to the nature and time constraints of the CoC Program competition, working days shall include weekends and City, County, State and/or Federal holidays.

#### Step 1

In order to be considered, a grievance must be filed in writing with the CoC Lead Agency, Texas Homeless Network (THN), within twenty-four (24) hours of notification of preliminary

ranking results and whether or not the organization's application will be included in the CoC's Consolidated Application. An email clearly stating the issue and the policy which the Applicant Organization believes was violated, and a proposed resolution is sufficient to serve as a written grievance, although use of the attached form is strongly encouraged. The Applicant Organization's grievance email should be sent to the attention of TX BoS CoC Board Chair, Daphne Adams, at <a href="mailto:txboscoc@thn.org">txboscoc@thn.org</a>

## Step 2

The TX BoS CoC Board has forty-eight (48) hours to investigate and respond in writing, using the attached official form. Applicant Organization should expect to receive the response via email. The Board's decision/response is final and binding.

#### Step 3

If the Applicant Organization is not satisfied with the TX BoS CoC Board's response, depending on the type of appeal, the Applicant Organization may file an appeal with HUD, as outlined in 24 CFR 578.35. Details can be found in Section X of the 2021 CoC Program NOFO

- 1. The initial grievance must be submitted in writing to the TX BoS CoC within the allowable time frame in order to be considered. Email is strongly preferred.
- 2. The Grievance Appeal Forms provided by the TX BoS CoC (attached) must be used in pursuing a grievance appeal.
- 3. To expedite the process the Applicant Organization should cite the applicable sections of the RFP, NOFO, and/or the relevant CoC policy pertaining to their grievance.
