

Texas Homeless Data Sharing Network

Strategies For Change

thn.org

Homelessness in Texas

The communities that THN works with/for are comprised of 11 homeless crisis response systems, or Continuums of Care (CoC):

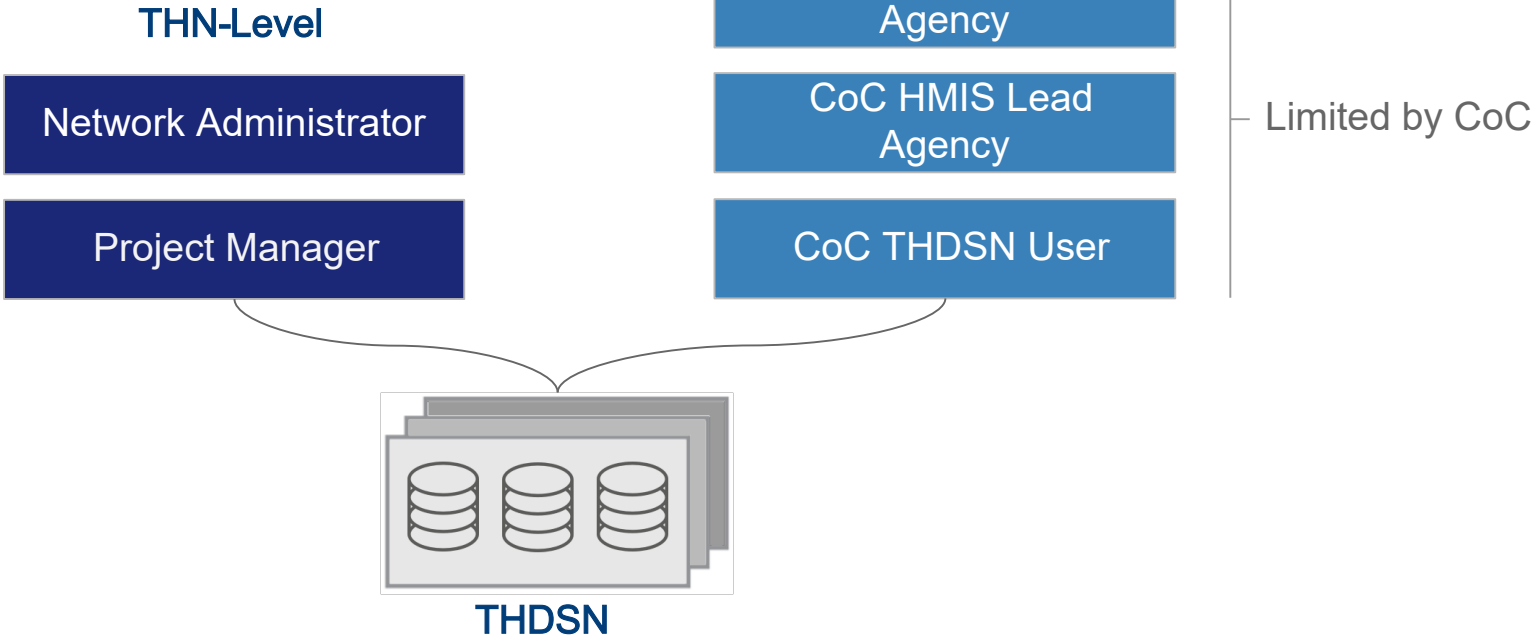

And THN is the lead agency for TX Balance of State CoC

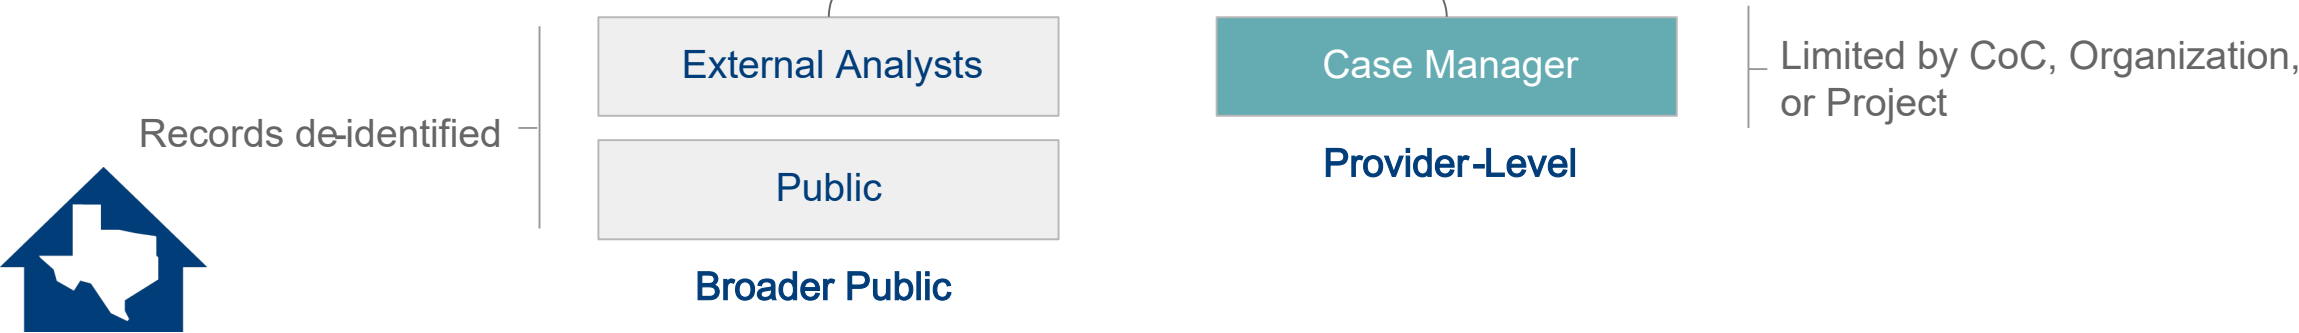

THDSN Roles

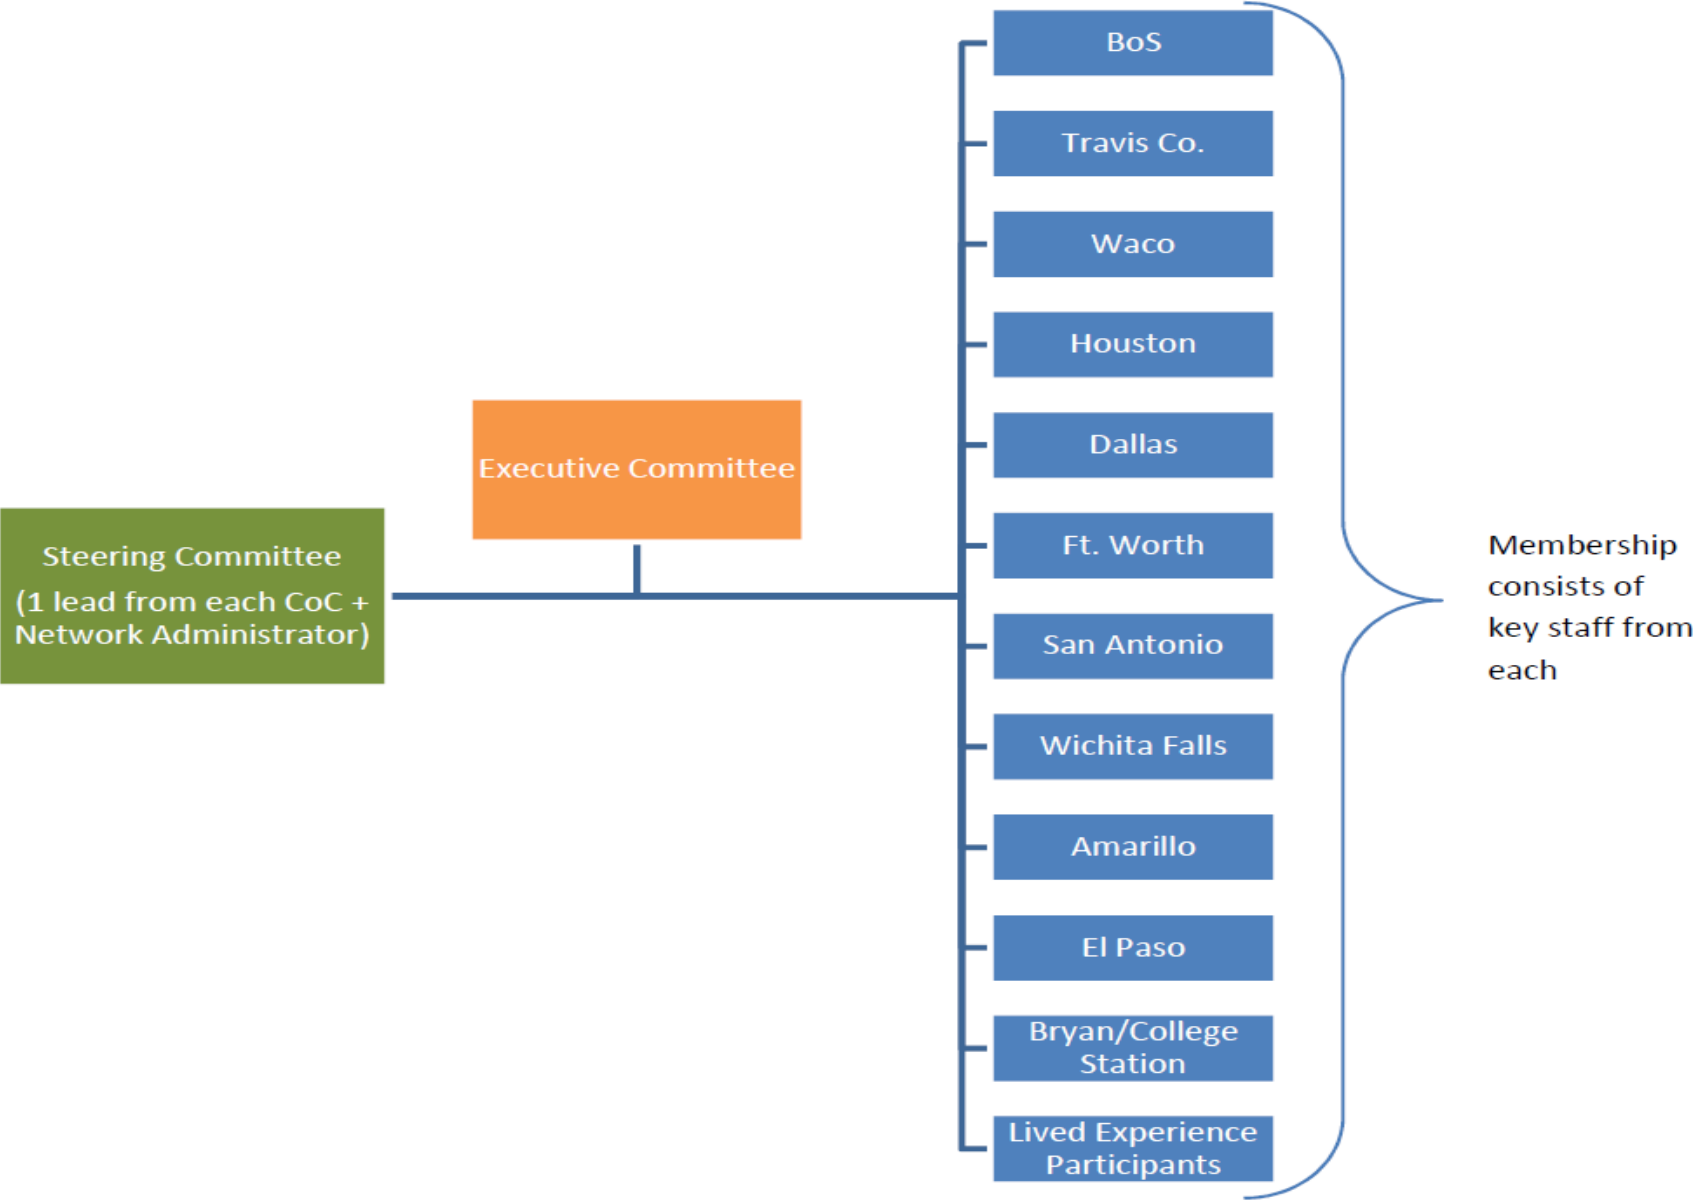

Phase I

Phase II

THDSN Governance Structure

Project Status

CoC Cohort 1

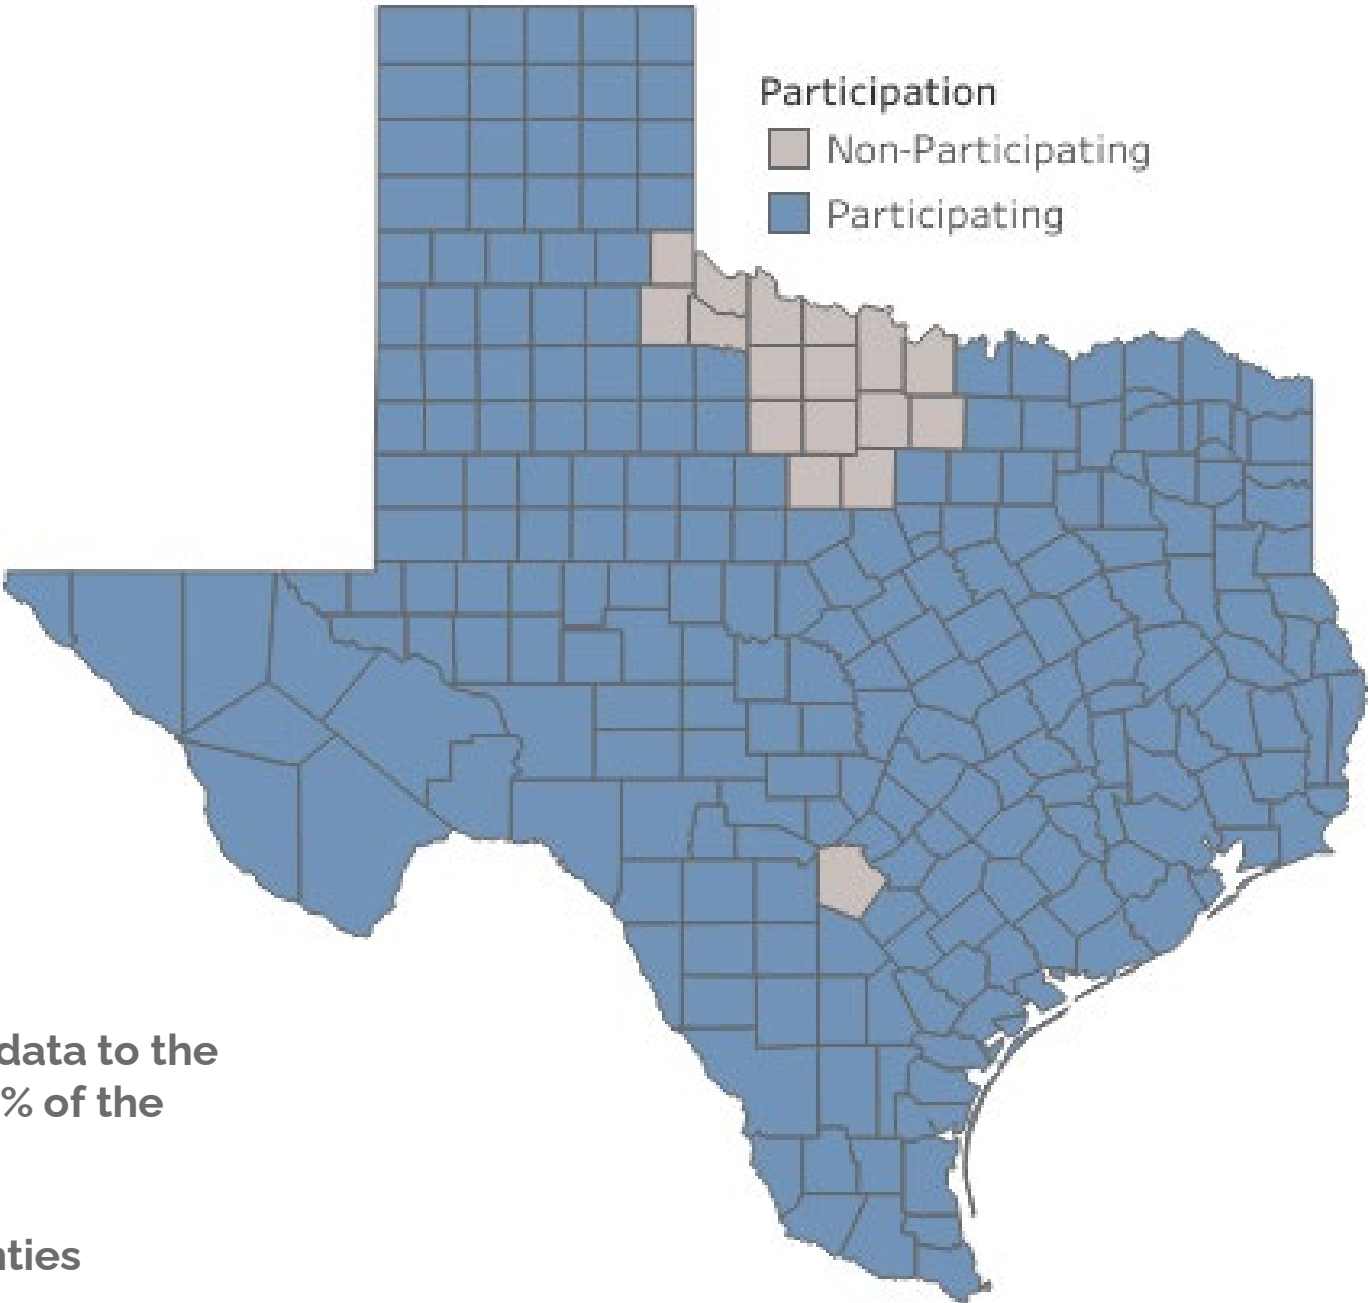

- 1. Texas Balance of State CoC
- 2. Houston/Harris County CoC
- 3. Fort Worth/Arlington Tarrant County CoC

CoC Cohort 2

- 4. Dallas City & County/Irving CoC
- 5. Waco McLennan County CoC
- 6. Amarillo CoC

CoC Cohort 3

- 7. El Paso City/El Paso County
- 8. Austin/Travis County
- 9. Brazos Valley

The nine CoCs currently contributing data to the THDSN Data Warehouse represent 93% of the counties in Texas.

THDSN covers 237 out of 254 TX counties

Integrate Data Systems

People experiencing homelessness often interact with multiple agencies – housing, healthcare, law enforcement, and nonprofits providing support services.

Those organizations rarely share information with each other – a challenge that, if addressed, can be a game changer in the national efforts to prevent and combat homelessness.

Utilizing data to target resources where the needs are is cost efficient, data removes guesswork

Texas Homeless Data Sharing Network

Connecting Texans to
make homelessness rare,
brief and nonrecurring

The Texas Homeless Data Sharing Network is the largest statewide homelessness data integration effort in the United States and will improve the livelihoods of thousands of people experiencing homelessness throughout the state.

Please scroll down to learn more about this effort to make homelessness rare, brief, and nonrecurring in Texas.

Hurricane Harvey: Where It All Started

In 2017, Hurricane Harvey demonstrated the need for more efficient communication and collaboration between Texas' homelessness **Continuums of Care (CoCs)**. As people experiencing homelessness were being displaced and moving to inland regions

Data integration platform that...

- Combines data from across CoCs and HMIS installations.
- Supports inclusion of additional data (medical records, Medicaid history, criminal justice,...)

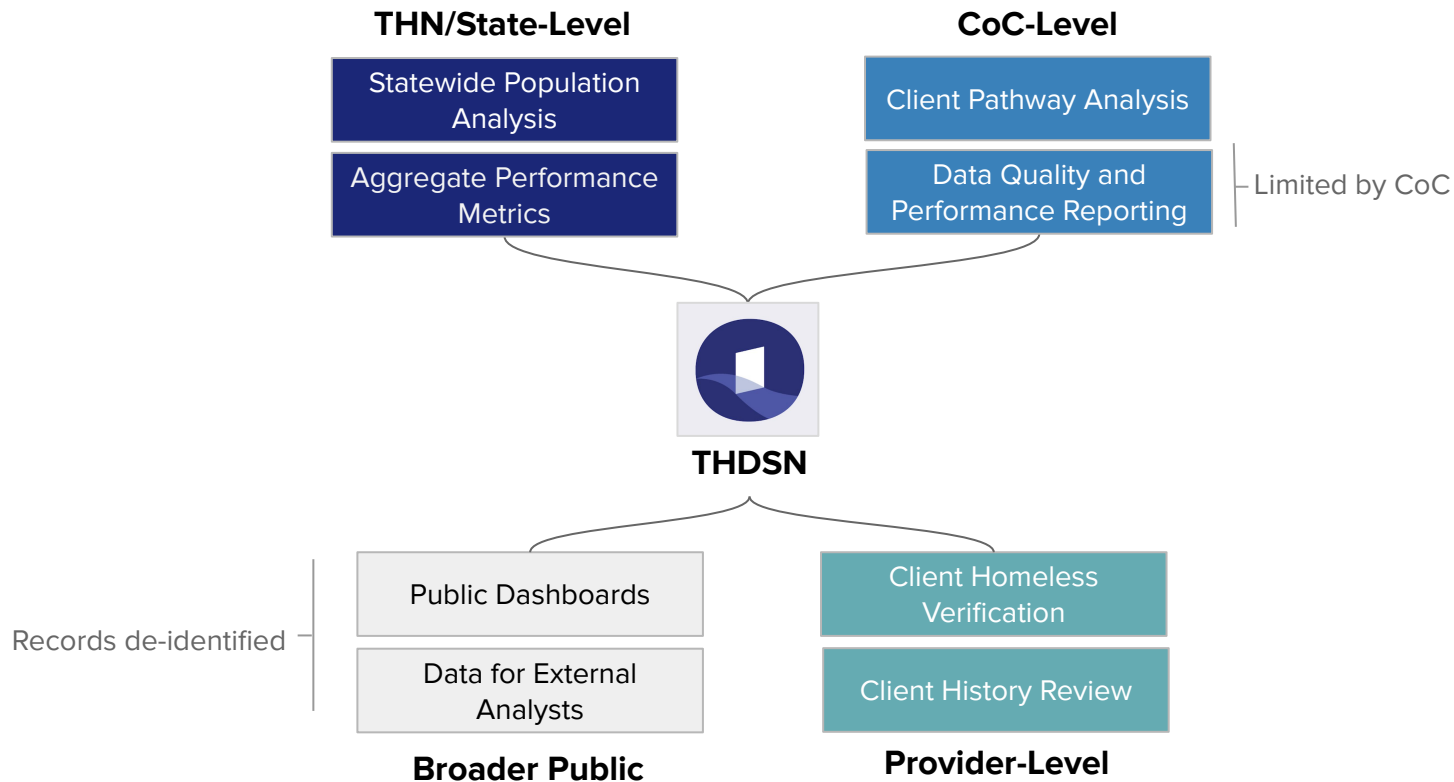

Provides...

- Aggregate analysis and reporting
- Coc and project-level reporting
- Shared client record information for care coordination and homeless verification

Overview

Enrolled Clients

1911 clients

were enrolled in the projects during the reporting period.

Clients in Search

619 clients

were in search projects during the reporting period.

Clients in Housing

Clients Entering Search

238 clients

entered Search during the reporting period.

Clients Exiting Search

Clients

Individual Adults Entry and Re-Entry

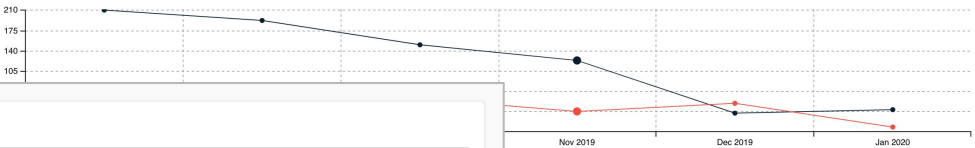

Re-Entry is calculated as a return to the system after a 60 day break

Individual Adults Newly Homeless During Time Period

745 Individual Adults

Individual Adults Re-Entering Homelessness During the Time Period

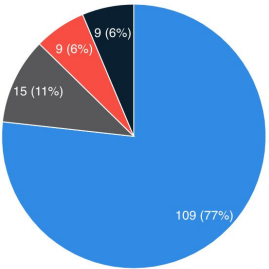

225 Individual Adults

Outcomes

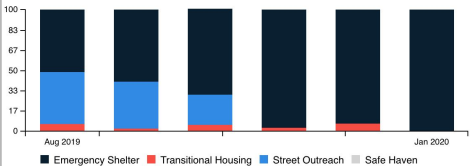

Destination at Housing Exit

A **successful exit to a permanent housing** is defined as an exit to a permanent destination with no subsequent returns to homelessness. A **return to homelessness** is defined as any subsequent night in an Emergency Shelter or on the street, either directly after exiting Housing, or after exiting to a permanent destination. An **exit to another institution** is defined as an exit to another institution such as a hospital or detox center with no subsequent returns to homelessness. An **unknown exit** is defined as an exit to an unknown destination with no subsequent return to homelessness.

■ exited to other institution ■ successful exit to PH ■ exited to temporary destination ■ other or unknown outcome

Location of Re-Entry

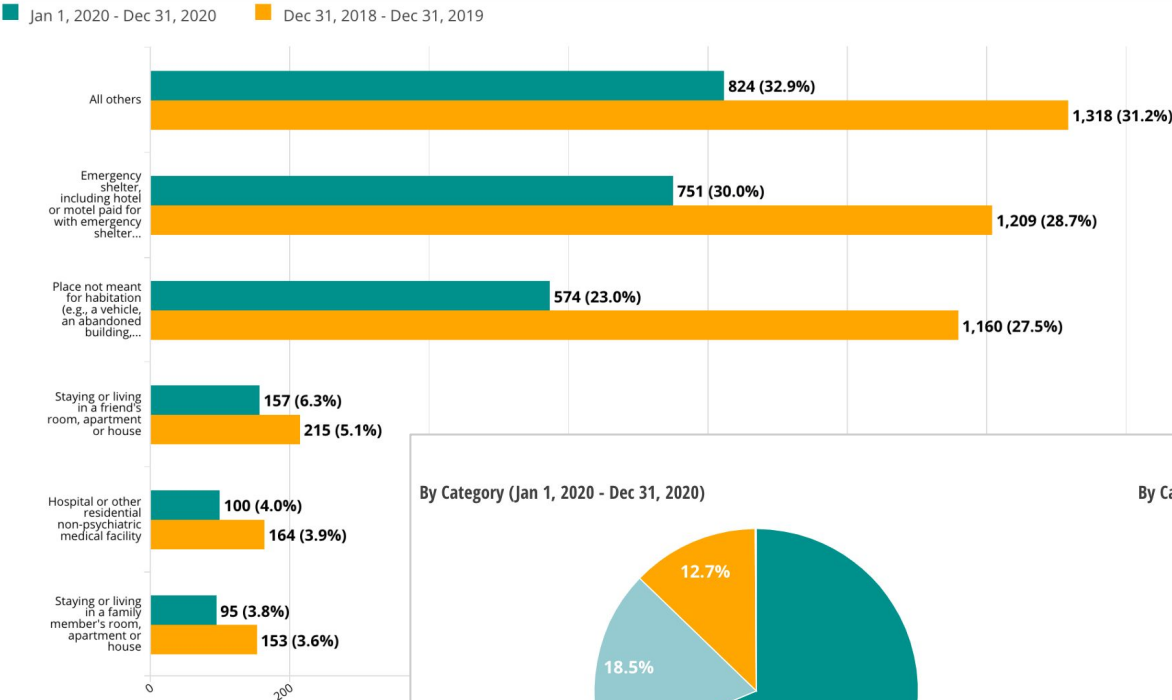

Prior Living Situation

Prior living situation provided at entry for the most-recently started enrollment for each client.

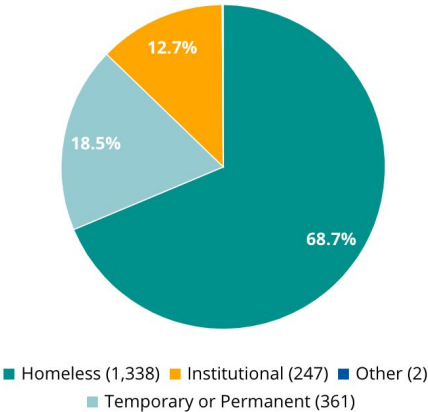

Unique Enrolled Clients:

Reporting Period: 2,501

Re-calculate

Experiencing Chronic Homelessness (HUD)

✔ Yes

Clients are considered to be experiencing chronic homelessness by HUD if they...

- 1. are currently homeless in ES (1), SH (8) or SO (4) and not currently housed (other residential types)
- 2. have a disability that is indefinite and impairing
- 3. have reported being homeless in 12 of the last 36 months.
- 4. have reported being homeless continuously for the past 12 months, or reported 4 or more episodes of homelessness in the past three years.

Please note: Chronic calculations are done using the Project Type Overrides.

[The HUD HMIS Glossary definition of Chronically Homeless can be found here.](#)

Potentially Experiencing Chronic Homelessness (data-based)

✖ No

Clients are considered to be potentially experiencing chronic homelessness if they...

- 1. are currently homeless in ES (1), SH (8) or SO (4) and not currently housed (other residential types)
- 2. have a disability that is indefinite and impairing
- 3. have been homeless in 12 of the last 36 months.
- 4. have had 4 or more episodes of homelessness if they haven't been continuously homeless for the last 12 months.

Please note:

- A single Street Outreach day within a month counts the entire month of days toward the days homeless
