

# ARE YOU EXPERIENCING HOMELESSNESS?

Visit a location below to complete a 20-30 minute assessment called Coordinated Entry. Coordinated Entry helps quickly connect people to available resources and housing by gathering information through an assessment process. By participating in Coordinated Entry, agencies will be able to connect you to resources you need and it will provide us with information on resources Comal County doesn't have currently in order to help you and more people in the future.
