What *is*
McKinney-Vento?

**How did this collaboration
come to be?**

**As the folks behind
McKinney-Vento, what was
your biggest priority for
filming with the Region 13
Multimedia Team?**

What were the specific intricacies of the program you hoped to share with people throughout the filming process?

**What made you want to
participate in the filming
of this piece?**

What is your one piece of advice for beginning a collaboration with folks within your organization and beyond?

Two Words Closing

"We take turns sharing two words that describe how we're feeling that day. We all have the human need to see others and to be seen. The realness connects us."

-Brené Brown
