The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.

- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHPD Renewal; and

- Project applications on the following Project Listings must be approved and are not ranked per the FY 2026 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC, the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked or approved BEFORE submitting the CoC Priority Listing to HUD in e-snaps. Contact Name: Ashley A. Brown

Contact Phone Number: 469-931-4065

Name of the Federal Program to which the Applicant is Applying: HUD CoC Program DV Bonus

Project Name: SHOM CDO FY2026 DV TH Kaufman County

Location of the Project: Kaufman, Henderson, Ellis & Rockwall Counties, TX

Brief Description of the Project: SHOM CDO FY2026 DV TH Kaufman County is a Transitional Housing project providing 15 units of safe housing paired with comprehensive wraparound supportive services for survivors of domestic violence, dating violence, sexual assault, and stalking and their children in Kaufman, Henderson, Ellis, and Rockwall Counties, Texas. Participants receive up to 182 days of transitional housing with trauma-informed case management, DV advocacy, safety planning, workforce development, and permanent housing navigation.

Needs the Project Will Address: The project addresses the critical shortage of safe, DV-specific transitional housing in rural East Texas. Kaufman, Henderson, Ellis, and Rockwall Counties lack dedicated transitional housing units for DV survivors, leaving families with no safe alternative to returning to their abusers. SHOM's project will provide immediate safety, housing stability, and a structured pathway to permanent independent housing for 15 households simultaneously, serving approximately 30 households annually.

Strategic Plan and/or Consolidated Plan Goals: : Increase access to safe housing and supportive services for survivors of domestic violence and persons experiencing homelessness in rural Texas communities, consistent with the State of Texas Consolidated Plan priorities for housing stability, homelessness prevention, and special needs populations.
