QUICK REFERENCE FOR RESPONDERS & COMMUNITY PARTNERS

Housing & Homelessness During Disasters

Recognize • Connect • Share

1 RECOGNIZE

Watch for:

- People experiencing homelessness who may be affected
- Housing loss, displacement, or loss of temporary lodging
- Shelter, provider, or other essential service disruptions
- Increased requests for housing or other assistance
- Recovery concerns or emerging unmet needs

2 CONNECT

Use the TX BoS CoC Disaster Coordination Map to identify:

- Local Homeless Coalitions and providers
- Homelessness-system presence
- Councils of Governments
- Regional coordination contacts
- Other available local connections

EXPLORE YOUR COUNTY

Information Pathways are the partners and communication channels that help us understand local conditions.

Map information provides suggested starting points. Available contacts and resources may vary by location and situation.

3 SHARE

Share relevant local updates involving:

- Housing instability or displacement
- Impacts to people experiencing homelessness
- Shelter, provider, or essential service disruptions
- Increased requests or barriers to assistance
- Recovery concerns or emerging unmet needs

disastercoord@thn.org

This inbox supports information sharing and disaster coordination. It is not monitored for emergency response or immediate-assistance requests.

You do not need to have every answer. Recognize the concern, connect with available partners, and share what you know.

THN TEXAS HOMELESS NETWORK

A Texas Homeless Network Disaster Coordination Resource

For emergencies or immediate safety concerns, follow local emergency instructions and contact the appropriate emergency resources.
